

The background of the slide is a historical painting depicting a vast, mountainous landscape. In the foreground, a large group of people and animals, including camels and horses, are gathered in a valley. The mountains are rugged and rocky, with some snow or light-colored rock visible in the distance. The sky is a pale, hazy blue.

### **First Afghan War Mowbray Morris:**

*The First Afghan War* Mowbray Morris, 1878 This book is a brief account written for a popular audience of the First Anglo Afghan War published in 1878 the year that marked the start of the Second Anglo Afghan War 1878-80 The First Anglo Afghan War began in late 1838 when the British launched an invasion of Afghanistan from India with the aim of overthrowing the Afghan ruler Amir Dost Mohammad Khan and replacing him with the supposedly pro British former ruler Shah Shujah The British were at first successful They installed Shah Shujah as ruler in Jalalabad and forced Dost Mohammad to flee the country But in 1841 Dost Mohammad returned to Afghanistan to lead an uprising against the invaders and Shah Shujah In one of the most disastrous defeats in British military history in January 1842 an Anglo Indian force of 4,500 men and thousands of followers was annihilated by Afghan tribesmen The British then sent a larger force from India to exact retribution and to recover hostages before finally withdrawing in October 1842 The concluding sentence of this book sums up the essential futility of the conflict And so the English army left secure on the throne of Afghanistan the dynasty they had spent so many millions of treasure and so many lives to overthrow The book is by Mowbray Walter Morris 1847-1911 editor of Macmillan's Magazine and the author of works of biography and literary criticism

**Chinese and Indian Warfare - From the Classical Age to 1870** Kaushik Roy, Peter Lorge, 2014-12-17 This book examines the differences and similarities between warfare in China and India before 1870 both conceptually and on the battlefield By focusing on Chinese and Indian warfare the book breaks the intellectual paradigm requiring non Western histories and cultures to be compared to the West and allows scholarship on two of the oldest civilizations to be brought together An international group of scholars compare and contrast the modes and conceptions of warfare in China and India providing important original contributions to the growing study of Asian military history

**The First Afghan War** Mowbray Morris, 2018-02-23 **Afghanistan and the Anglo-Russian Dispute** Theophilus F. Rodenbough, 2020-03-16 In *Afghanistan and the Anglo Russian Dispute* Theophilus F. Rodenbough presents a meticulous exploration of the geopolitical tensions in Central Asia during the late 19th century particularly the rivalry between the British Empire and Tsarist Russia Employing a rich narrative style interwoven with historical analysis Rodenbough delves into the intricate dynamics that characterized the Great Game in Afghanistan His research is heavily grounded in primary sources and reflects the military and diplomatic strategies that shaped the region offering readers an insightful context for understanding the larger implications of these rivalries on contemporary geopolitics Rodenbough a distinguished military historian and veteran who served in the American Civil War brings a unique perspective shaped by his personal experiences in conflict His academic pursuits were fueled by a desire to elucidate historical patterns of military engagement and international relations Drawing on his familiarity with military strategy and history he expertly frames Afghanistan as a critical point of contention that offers lessons applicable to modern geopolitical conflicts providing a bridge between the past and contemporary issues This book is highly recommended for scholars historians and general

readers intrigued by military history and international relations Rodenbough's thorough examination calls attention to the complexity of imperial motivations and their legacies making it an essential read for anyone seeking to understand the roots of present day tensions in Central Asia

*A Vindication of England's Policy with Regard to the Opium Trade* Charles Reginald Haines, 2019-12-12 In *A Vindication of England's Policy with Regard to the Opium Trade* Charles Reginald Haines presents a compelling defense of British imperial policy during the contentious era of the opium trade in the 19th century. Through meticulous historical analysis and persuasive rhetoric Haines navigates the complex moral and economic landscapes of the time arguing that Britain's involvement served not only to bolster its own economy but also to foster trade relationships with China. His literary style blends sharp political commentary with a structured argumentative approach shedding light on the often overlooked motivations and implications of colonial actions set against the backdrop of burgeoning globalization and mercantilism. As a scholar and contemporary of the imperial discourse Haines was deeply influenced by both the socio-political climate of his time and the ongoing debates regarding colonial ethics. His extensive research and firsthand observations provide an authentic voice to the narrative allowing for a nuanced understanding of the period's geopolitical complexities. Drawing on his background in history and economics Haines articulates the intricacies of policy making that shaped British imperial ideologies. This book is recommended for historians economists and anyone interested in the moral dilemmas of imperialism. Haines articulates a defense not only provokes thought about the ethics of trade practices but also serves as a crucial lens into the historic interplay between power commerce and morality. It is an essential read for understanding the long lasting effects of the opium trade and the legacy of British imperialism
