

Team 2
Order the Story

Once upon a time, there was a fish named Nemo.

He lives with his dad Marlin in the ocean. Marlin **worries about** Nemo a lot.

Marlin tries to find the boat. He **meets** Dory, who has memory problems.

They escape from the sharks and find a mark. The mark has an address written on it.

Marley and Dory **ask for** directions from a group of fish. They tell them to go to the EAC (East Australian Current).

One day, Nemo is playing with his friends and decides to touch a boat. This is a bad idea, because a diver traps Nemo in his **net**.

Dory and Marlin go to a shark meeting, and the sharks **almost** eat them.

On the way to the EAC, Dory and Marlin are **stung** by jellyfish and are knocked out.
