**Rescue on the Rio: Lilah: Book 2 in Finding Home Series** Verna Clay, 2013-05-27 Finding Home Series Cry of the West Hallie Rescue on the Rio Lilah Missouri Challenge Daisy Rush Garrett has been hired by his friends Cooper and Hallie Jerome book one to find Hallie's sister Lilah and persuade her to return to Oregon with him. The sisters parted ways twenty years earlier and Hallie longs to be reunited with her only sibling. Lilah Parker yearns for her family but in her infrequent letters to her sister Hallie she has lied about her occupation. Her sister believes her to be a seamstress when in truth she is a wealthy man's mistress. Lilah's shame and fear that she will be disowned by her loved ones causes her to reject Rush's offer of escort to Oregon. However fate has other plans for these mismatched lovers as they travel from New Orleans to the Willamette Valley in Oregon. Oh and along the way Lilah gets kidnapped by bandits. The book can be read as a standalone.

The Birch Creek Ranch Books 1-3 B. E. Baker, 2024-09-02 For the first time ever grab the first three books in this complete best selling series as part of a money saving boxset. Two widows, six kiddos and a will that leaves them a massive cattle ranch but only if they work it for a year. Abigail and Amanda may have married brothers but they have almost nothing else in common and really they never did get along very well. After their husbands both pass away they have no reason to interact. Their connection drops to an awkward phone call on birthdays and an exchange of holiday cards. Until an eccentric uncle of their husbands leaves a massive cattle ranch to the women's minor children if they work the ranch themselves. A ranch that's located near a small town on the border of Wyoming that isn't too keen on outsiders. They're both going to turn the bequest down clearly. It's not like either of them could properly raise their kids or find love again in a backwater province like Birch Creek. But when things at home change dramatically for both moms they decide to give it a try just for the summer. What could possibly go wrong in a mere three months? Or more importantly, what might go right? Publisher's Weekly says *The Bequest* is an endearing work of women's romantic fiction and the first in the Birch Creek Ranch series. It offers a compelling setup as two wildly different women are thrown together in the aftermath of their husbands' deaths. Baker's prose is candid, warm and allows readers to feel immediately connected to the two protagonists. Baker brings freshness and fun to the story of two couldn't be more different individuals who find they have more in common than they'd anticipated. Wall Street Journal and USA Today bestselling author Pamela Kelley said B. E. Baker takes you right to the heart of the small town that two widowed sisters in law land in very unexpectedly. Can they survive the year they need to spend there to keep it? I really enjoyed reading Bridget's romantic women's fiction debut. B. E. Baker is an amazing storyteller. Wow. Women's fiction at its best. When you open this book you might want some snacks handy because you won't be able to stop until you finish. Highly recommend. USA Today Bestselling Author Tamie Dearen: A sweet feel good story. Loved reading about these two women forging a new life for themselves and their children with all the challenges and joys of a ranch. USA Today Bestselling Author Amelia Addler: I'm a huge fan of Baker's writing and this book is no exception. At once both a BIG story and one that's very

intimate you'll get two women's stories as they're forced together because of a will. Relocating to a ranch, these sisters-in-law and their families face challenges that bring them closer together and change the course of their lives. A great read if you love family sagas. Anderson Rutherford never imagined having an old-fashioned penpal when he joined the Marines. Anderson actually has two rays of sunshine that write to him. After five years in service, the unthinkable happens. Anderson is severely wounded and fighting to leave the hospital. Since the day of his tragedy, he can't bring himself to write the ten-year-old Claire or the most beautiful soul he's ever imagined, Genesis. The thought of those two seeing him as anything but whole is unbearable. Anderson might be improving physically, but every day without their letters, his heart is withering. If he can just see Genesis, Lee, one time and know that she is alright, he can leave her. He pushes himself to travel, knowing that she will be in the annual Mars Hill Christmas Parade. Nothing prepared him for the kindness and purity of Genesis. Lee. Can Anderson find his purpose again? Can he turn around and leave North Carolina after finally setting eyes on the woman that he has grown to love over the last five years? Enjoy this sweet Christian Christmas Romance. *Hungry* B. E. A mesmerizing work, literarily impressive and historically exacting. Kirkus In 1847 the Donner party resorted to eating human flesh to survive entrapment at the base of the Sierra Nevada mountains. They became infamous almost instantly with hundreds of books, stories, and interviews exploring their misery. None of them tell the extraordinary story from the first person point of view of the female survivors. Until now. Three women yearned to make better lives in California. Nineteen-year-old Mary Ann Graves set out west with her family in search of a home that would be free of disease like the ague that had

afflicted her mother and sisters for years If she met a handsome guy along the way well she wouldn't complain As the belle of the Donner party she certainly had plenty of interest Peggy Breen had just given birth to her seventh child but she wasn't afraid of the two thousand mile journey toward prosperity She'd take care of her children and honor her husband along the trail because that's what women of faith did But when supplies became limited her giving heart and her mother's instinct were at odds Virginia Blackstone Reed the thirteen year old daughter of the group's leader set out in search of adventure riding her sassy palomino pony alongside the largest double decker wagon anyone had ever seen As the adopted daughter of the most influential and prosperous man in the wagon train she had no idea at the start that her polarizing father with his ostentatious wealth would pave the way for their future devastation By the time these women and the rest of the party reached the Sierra Nevada mountains after taking an unproven shortcut they were already two months late They had lost people oxen mules and livestock they couldn't survive without Then the snow began to fall And it didn't stop Hungry follows the tenacious protagonists and their miraculous rescue as they fight the elements and one another highlighting the strength that kept them going when most of us would have been defeated Kirkus Reviews said of Hungry The story's historical verisimilitude is magisterial the author's research is simply impeccable This is much more than a recitation of historical facts though Baker brings to terrifying life the cruel proximity of hope and barbarism and the unspeakable things people will do to survive and to save their own This is a stunning glimpse into a vanished time in American history when every obstacle seemed surmountable and progress assured despite the awesome danger that lurked everywhere Keywords Historical fiction survival stories true stories of history historical fiction America cannibalism cannibals historical horror survival fiction historical survival story historical fiction mid nineteenth century manifest destiny pioneers tragedy story

**Pretty is as Pretty Does** B. E. Baker, 2025-05-21 Jake Priest learned at an early age to take anything he could get and never look back With the help of his foster sister Bea and the catchy song she wrote he finally gets a stroke of luck and becomes the hottest new entertainer in the industry He's always felt a little guilty for using Bea's song as his ticket to fame but after years of hiding her talent Bea's finally crafting musical masterpieces again Jake credits one woman with inspiring her to do it When that woman Octavia Rothschild shoved Beatrice Cipriani into the limelight she really had no idea that Bea would try and drag her on stage too Octavia's finding the attention uncomfortable Ever since an accident that left prominent burns on one side of her face Octavia has attracted too much attention none of it good And now the studio's insisting that Octavia perform one of Bea's songs with Jake Priest The label's wild for the kind of publicity a duet would create even if Jake's famously impossible to deal with Only the more time Jake spends with Octavia the more he's drawn to her voice and her unique beauty But Jake's shady past was only contained not erased When Jake's father finally walks out of prison the first person he wants to see is his newly rich and famous son And good old dad has some demands and some secrets that may just change everything Can Jake and Octavia heal from past trauma in time to deal with everything the world's about to throw at them This book was
