Reclaiming Purity Laura C. Mayer, 2018-11-29 It took Brian my husband and me some time to grasp the idea of purity while we were dating After reading our story you will see that making the commitment to purity was just the beginning We had tasted the forbidden fruit for a number of years Then I got to know Jesus in a new and powerful way as I recovered from an eating disorder Brian eventually followed and we knew things had to change We had the difficult task of trying to figure out how to have a Christian dating relationship living in the Garden of Eden so to speak right next to the tree but resisting the habit and compulsion of reaching for that fruit How close to the forbidden tree can you get Can you actually hold the apple in your hand but not taste it There is no hard and fast rule I can give you for where to draw the line However I will share with you some lessons that I learned to show you how to build your relationship together through Christian dating I will describe some strategies to keep the pilot light of your passion lit but under God's gentle control Then how does it work to take two imperfect people joined under God to become one in a loving marriage
