techniques on how to manifest true love however not all of these so called rituals can bring you what you want to manifest fast or efficiently This book was designed to finally let that gap fill and let you understand what you were doing wrong and to finally give you techniques and principles that will allow you completely learn about the Law of Attraction and how to use it to Manifest your Ex new lover or maybe to have a perfect relationship if you are not single already Here is a sneak peek of what you are going to learn Five Love Attracting Secrets that no one talks about that WILL GUARANTEE your success Biggest mistakes to AVOID while Manifesting Love that will make your lover appear FAST The Most Powerful HABIT no one mentions that will make you a master of manifestation The one spiritual exercise you must do daily in order to become the most attractive person to the opposite sex that you will manifest A Simple and mostly Unknown Daily Ritual that will magnetize your lover and ex back almost instantly Things you should not do when you are in the process of manifesting your love with the Law of Attraction And A lot more If you are tired of reading book after book article after article and not getting the results you want when trying to manifest your ideal man or a woman Then simply scroll the page up and **CLICK TO BUY NOW** It s my personal guarantee that if you apply what you learn in my book You will be successful **Manifesting Love** Eddie Coronado, 2017-06-19 This book includes 250 affirmations for manifesting love AND it includes a number of visualization scripts and success stories that will empower you to manifest your soul mate If you have read my other books you know that I am a firm believer in the fact that the Law of Attraction always responds to persistent committed action It does so because it is a spiritual law that responds to human belief in the same way that the laws of nature respond to all who use them And being a spiritual law it works for everyone in the same way no matter how young or old a person is or how rich or poor Daily committed action is the single factor that will determine your success with the Law of Attraction whether you choose to manifest financial abundance a satisfying career or the love of your life In fact the phrase Law of Attraction contains the word ACTION which means that your success with this spiritual power requires you to take committed daily action by aligning your thoughts words and feelings to your intention Once you have transformed your beliefs about what is possible your desire will show up in your life Unfortunately many people on this spiritual path read book after book about the Law of Attraction yet they fail to take the daily committed action that will help them manifest their desires My goal is that you succeed with your intention to manifest true and lasting love so I wrote this book as a clear guide that will provide you with easy to use practical tools that will help you manifest your soul mate In fact the information in this book has helped many people attract a soul mate and it can work for you too **WHAT THIS BOOK CONTAINS** This is not another Law of Attraction book filled with fluff and filler It s an instruction manual that gets right to the point by explaining exactly what you must do to manifest your soul mate with the Law of Attraction Using proven metaphysical practices spiritual insights and success stories I explain how you can create your intention and then manifest your soul mate by using the tools of manifestation correctly and consistently By the time you finish reading this book you will know exactly what you must do to
