**What Happens Next?** Jade Sky,2024-10 Answers about the afterlife. Have you ever been alone but felt that you were not really alone at all, that someone else was there? You didn't feel scared; you felt comforted, and you knew that the energy felt familiar, like that of a passed loved one. But your sceptical mind told you it was just your imagination. Signs from the spirit world come in many different ways; it could be just a small thing, such as sensing a presence or even the lights flicking on and off whenever you think about a passed loved one. Is this just coincidence, or is it more? In *What Happens Next*, spiritual medium Jade Sky shows you that it is possible to feel sense or even hear your passed loved ones in spirit. In her work, Jade Sky is asked hundreds of questions about life after death, and here she answers them all, such as what happens to loved ones when they pass, including children, parents, partners, friends, and even pets; how to recognise signs from passed loved ones; and all about angels, spirit guides, and ghosts. Drawing on her many years of communicating with the spirit world, Jade Sky's sympathetic answers offer comfort and reassurance to anyone who wonders, "What happens next?"
