

The Movie Murder Mystery Party

In this murder mystery game guests take the roles of various cast and crew members celebrating the completion of filming of their movie when the director suddenly dies at the party. However, the paranoid Director hid magical clues. These clues reveal hints as to who committed the crime. The scavenger hunt brings a unique aspect to the standard murder mystery game.

The story of the party, the movie itself, and characters are improvised, making this game different each time it's played with 20 different characters to play.

The party's host, who will take the role of the Director, should be the only person to read this document.

How to Play

Playing this mystery game is fairly easy, but the key to an awesome time is a solid set up so everyone knows how to play the game. This game is recommended only for teens and adults. Some characters may not be appropriate for all groups, so remove those at your discretion.

Explaining How the Game Works

Once everyone has arrived, it's time to explain how the game will work. To make this process easy, I wrote this convenient script for the host to read on the next page. As the host, you will be the Director, so feel free to change the script, but make sure all of the important information is included. Be sure to replace "this room" with the title of the room(s) in which the clues were hidden.

The game can be set up differently if you wish, depending on the guests. Below are some ideas. Be creative and have fun!

- Have everyone leave the room for a moment to read his or her character information.
- Bring everyone in at the same time, pretending that they've just arrived in a limousine.
- Pick out a character to play randomly from a hat.
- Let guests pick their character, but randomly pull a personality from a hat.
- Encourage silly accents.
- Film the game.

The Suggested Script

"Thank you everyone for coming to my murder mystery party. The game is simple. We are all gathered here to celebrate the completion of my fictitious movie, which I directed. As for the movie's plot, we'll all decide what happened in the movie as the game unfolds. There are conversation topics for characters to share about the movie's plot.

You'll each have a card with various facts about your character. During the game, you need to try to learn as much as you can about all of the other players while
