**Power to the Players** Rob Smat, 2023-11-21 The sea shanties YOLO s and red bandanas aren t even half of the GameStop story Did you know Robinhood didn t initiate their infamous trading halt Did you know why Redditors refer to 2021 as the sneeze rather than the squeeze Did you know that shares in your brokerage account might be counterfeits If not buckle up Witness firsthand the real and utterly ludicrous hivemind that brought Wall Street to its knees in January 2021 and find out why GameStop was only the beginning of an even more unprecedented retail contagion one which will challenge everything you think you know about our markets all over again If the meme mania of 2021 drew blood from Wall Street what follows is the Shakespearean realization that Reddit s blade was in fact poisoned In a digital world of frequently deleted revised and buried information accurately piecing together events as they occurred is nearly impossible Other authors and journalists have understandably struggled but not author Rob Smat who has been a witness to every part of the GameStop phenomenon having lived it himself Power to the Players is as much an unabridged history of the GameStop sneeze as it is a roadmap of how retail traders regrouped in the months and years that followed when everyone else thought the story had ended in calamity The truest of diamond hands never sold and their power has only grown stronger since Before Redditors were only a nuisance to the status quo Now they

**Scum Valley** Matthew Ellks, 2014-05-01 This book follows the local boardriding culture through a period of decadence and high times It is the first book of a trilogy about the challenges that faced the subterranean surfing culture as it began losing its heritage to the yuppies who took advantage of negative gearing in the late 80s and started buying up Bondi As property values and rates climbed school enrollments fell and so started the decline of the working class folk of Scum Valley Us surfers used to call the beach Scum Valley because of the old stink pipe at north that used to pump raw sewerage out into the ocean for us to surf in We valued street credibility above all else and the community was very tight

considering its close location to such underworld locations as Kings Cross Darlinghurst and the CBD in general. Being a city beach meant that a colourful cross section of characters graced our town with the millions of other tourists and beachgoers. The story has a David and Goliath twist to it as a rich kid waltzes into town and sets up a surf shop and begins winning friends and influencing people. A staunch local named Dan has a run in with him and so starts a feud that lasts for a decade. Span of the 3 books Dan eventually opens his own shop and the fallout between rival surf shop clubs sends ripples through the beach. It divides opinions and sets a precedent for ongoing battles that are fought in the streets and in the water.
