## 1 day Introduction to Protective Behaviours

Introduces people to the full Protective Behaviours Process and enables them to begin to consider how they may use it

I have had time to learn about all parts of the Protective Behaviours Process. I am unlikely to be able to make links between parts of the process or put it into practice without resources or support

## 2 day Foundation Practitioner Protective Behaviours Course

Introduces people to the full Protective Behaviours Process and equips them to use the process with people they live and work with

I understand the Protective Behaviours Process & can see how I can use it in my work

## 1 or 2 day PB+ course

A bespoke course designed by an experienced PB trainer for a specific staff group who **have completed** Foundation training and would like to develop practice further

I am on my way to being a more expert practitioner in Protective Behaviours and will be able to use the process more competently in my work

## 4 day Specialist Practitioner Protective Behaviours course

Equips people who **have completed** Foundation training to become a more 'expert' practitioner & a resource for staff trained to use PBs at a more basic level

I've got Protective Behaviours at my fingertips & can use, understand & explain the Process and links between its parts. I am not a trainer but can support staff & design and evaluate resources to ensure PB consistency

## Train the Protective Behaviours Trainer

Enables someone trained as a Specialist Practitioner to progress to becoming a Protective Behaviours Trainer

I am being mentored and supported by a very experienced PBTP trainer to become a Protective Behaviours trainer
