Direct Struggle Against Capital A Peter Kropotkin Anthology:

Direct Struggle Against Capital Peter Kropotkin, 2014-04-15 This is the most extensive collection of Peter Kropotkin's writings available in English. Over half the selections have been translated for the first time or salvaged from long out of print pamphlets and newspapers. Both an introduction to classic texts and a recontextualization of Kropotkin from saintly philosopher to dangerous revolutionary, *Direct Struggle Against Capital* includes a historical introduction, biographical sketch, glossary, bibliography, and index. Peter Kropotkin was one of anarchism's most famous thinkers. His classic works include *The Conquest of Bread* and *Mutual Aid: A Factor of Evolution*. Iain McKay has edited *An Anarchist FAQ* volumes one and two and *Property Is Theft: A Pierre Joseph Proudhon Anthology*. **The Palgrave Handbook of Utopian and Dystopian**

Literatures Peter Marks, Jennifer A. Wagner-Lawlor, Fátima Vieira, 2022-03-15 The Palgrave Handbook of Utopian and Dystopian Literatures celebrates a literary genre already over 500 years old. Specially commissioned essays from established and emerging international scholars reflect the vibrancy of utopian vision and its resiliency as idea, genre, and critical mode. Covering politics, environment, geography, body and mind, and social organization, the volume surveys current research and maps new areas of study. The chapters include investigations of anarchism, biopolitics, and postcolonialism, and study film, art, and literature. Each essay considers central questions and key primary works, evaluates the most recent research, and outlines contemporary debates. Literatures of Africa, Australia, China, Latin America, and the Middle East are discussed in this global, cross-disciplinary, and comprehensive volume. **Love and revolution** Matt York, 2023-03-21 Based on award-winning

research, *Love and revolution* brings classical and contemporary anarchist thought into a mutually beneficial dialogue with a global cross-section of ecological, anti-capitalist, feminist, and anti-racist activists, discussing real-life examples of the loving, caring relations that underpin many contemporary struggles. Such a revolutionary love is discovered to be a common, embodied experience among the activists, contributing to this collective vision manifested as a radical solidarity, as political direct action, as long-term processes of struggle, and as a deeply relational, more-than-human ethics. This book provides an essential resource for all those interested in building a free society grounded in solidarity and care, and offers a timely contribution to contemporary movement discourse. **Means and Ends** Zoe Baker, 2023-07-25 An expansive and accessible

account of anarchism as a theory of practice. A new, in-depth look at the revolutionary strategy of anarchism in Europe and the United States between 1868 and 1939. Zoe Baker, creator of a popular YouTube series on radical history and political theory, brings her trademark clarity and accessibility to this debut book. Cutting through misperceptions and historical inaccuracies, she shows how the reasons anarchists gave for supporting or opposing particular strategies were grounded in a specific theoretical framework, a theory of practice. The consistent and coherent heart of anarchism, Baker shows, is the understanding that as people engage in activity, political or otherwise, they simultaneously change the world and themselves. Put another way, the means that revolutionaries propose to achieve social change have to involve forms of activity through

which people can become individuals capable of overthrowing capitalism and the state as well as building a better society Behind this simple premise that anarchist ends can only be achieved through anarchist means lies a wealth of fascinating historical and theoretical detail that Baker presents clearly and engagingly Makhno and Memory Sean Patterson,2020-04-09 Nestor Makhno has been called a revolutionary anarchist a peasant rebel the Ukrainian Robin Hood a mass murderer a pogromist and a devil These epithets had their origins in the Russian Civil War 1917 1921 where the military forces of the peasant anarchist Nestor Makhno and Mennonite colonists in southern Ukraine came into conflict In autumn 1919 Makhnovist troops and local peasant sympathizers murdered more than 800 Mennonites in a series of large scale massacres The history of that conflict has been fraught with folklore ideological battles and radically divergent cultural memories in which fact and fiction often seamlessly blend conjuring a multitude of Makhnos each one shouting its message over the other Drawing on theories of collective memory and narrative analysis Makhno and Memory brings a vast array of Makhnovist and Mennonite sources into dialogue including memoirs histories diaries newspapers and archival material A diversity of perspectives are brought into relief through the personal reminiscences of Makhno and his anarchist sympathizers alongside Mennonite pacifists and advocates for armed self defense Through a meticulous analysis of the Makhnovist Mennonite conflict and a micro study of the Eichenfeld massacre of November 1919 Sean Patterson attempts to make sense of the competing cultural memories and presents new ways of thinking about Makhno and his movement Makhno and Memory offers a convincing reframing of the Mennonite Makhno relationship that will force a scholarly reassessment of this period Freedom ,1911 **Bloodstained** Friends of Aron Baron,2017-10-23 On the centenary of the 1917 Russian Revolution paeans to the conquering Bolsheviks will be sung Bloodstained highlights the darker echoes coming from that event with a mixture of classic and new essays that expose a murderous dictatorship as it developed paving the way for Stalin Mao Castro and others to slaughter and starve their opponents The defense of this criminal enterprise later categorized as actually existing socialism ends here No more velvet gloved hagiography No more Lenins Includes essays from Mark Leier Barry Pateman Alexander Berkman Iain MacKay Herman Gorter Rudolf Rocker Luigi Fabbri Maurice Brinton and more
