Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups Richard Sogunle, 2022-08-01 In my many years of attending Bible study I have found that many who attend barely grow beyond the level of being fed the word of God Many are stocked in the level of milk without the capacity to handle the solid word of God The aptitude and zeal to understand and rightly share the word of God is absent in the greater percentage of church attendees today Every good shepherd desire that their flocks grow in their spiritual muscle and be able to stand anywhere and anytime on their faith feet without being tossed to and fro with every wind of doctrine However due to various environmental and organizational challenges a small group Bible study setting may be lacking in many churches The members may attend worship services on Sunday and other times and listen to the pastor s sermon day after day but never have the opportunity to contribute their God given ideas or ask questions that could strengthen their courage to share their faith with understanding This book is designed to challenge believers in reading a passage of the scripture and equip them with spiritual warfare weapon in memory verse during each Bible study session The individual will have the opportunity to learn and discuss the weekly topic and questions that follow every introduction to the topic The study guide is simply arranged to enable any believer or group of believers and families to use in any Bible study group setting The study guide discusses various topics with supporting scriptural references to equip participants with practical knowledge and applications to their daily Christian living

The Christian life is built on three seemingly unremarkable practices reading the Bible prayer and fellowship with other believers However according to David Mathis such habits of grace are the God designed channels through which his glorious grace flows making them life giving practices for all Christians Whether it s hearing God s voice the Word having his ear prayer or participating in his body fellowship such spiritual rhythms of the Christian life have the power to awaken our souls to God s glory and stir our hearts for lifelong service in his name What s more these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity and the incredible joy that such blessings bring to God s children today SCM Studyguide: Church Leadership Jon Coutts, 2019-04-30 It is increasingly being acknowledged that current generation of church leaders are inundated with well intentioned but nonetheless economically defined leadership measures and strategies which threaten to corrupt the basic thrust of ministry and pervert the common life known as church Reflecting theologically on the nature of leadership at the same time as considering the reality of its practicalities this Study Guide seeks to call it back to theological essentials locate it in the unique context of the Church and then re address modern pressures and needs from within a decidedly Christian framework Resisting the urge to instruct with a more polemical voice the SCM Studyguide to Church Leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re orient creatively around the callings giftings and approaches that are suitable to Christ and particular to the Church
