Pierce, Rebecca Merrill Groothuis, Gordon D.

Fee, 2005-01 **Who Leads?** Jane L. Crane, 2024-05-03 A concise updated summary of top Bible scholars on male female leadership focusing on facts rather than theories and leaving conclusions to the reader Includes a fascinating look at ancient texts Bible translations through the centuries and early church actions on women leaders Academically sound but written for the average reader A quick read of about three hours backed up with references to more than 100 leading scholars *Equal*

Katia Adams, 2019-09-01 In *Equal Church* and ministry leader Katia Adams argues that the church has too often misrepresented the heart of Jesus to release and empower women and men With sensitivity to both sides of the argument Adams draws on the wisdom of Scripture theology and the Holy Spirit Blending them with her own personal experiences she asserts that both women and men are equally called to serve and lead in the church and in the world and that by restricting the roles of women we are missing God s design for the church and for the gospel s impact on the earth *Exploring the New Testament in Asia* Samson L. Uytanlet, Bennet Lawrence, 2024-08-31 There is a growing recognition that God s design is for us to read Scripture alongside the whole church in all of its cultural and linguistic diversity *Exploring the New Testament in Asia* is a textbook for students and scholars of the New Testament to help the church hear and see the good news of Jesus anew This collection of essays offers theological reflections on New Testament themes from Asian perspectives while addressing contextual issues in light of the New Testament Touching on topics such as salvation holiness poverty ethnic tensions reconciliation honoring elders persecution and hospitality the scholars in this book demonstrate the importance of a varied contemporary context for understanding the New Testament The result is a theological contribution that is both contextually relevant and biblically faithful **The Emotionally Abusive Mindset** Anne Dryburgh, 2023-02-07 How this

book can help you This book is a resource which provides insights into what emotional abuse looks like across a spectrum of relationships It considers how someone with an abusive way of thinking tends to operate The book does not cover physical or sexual abuse but is designed to give some key basic information It would be helpful if other people would take these insights and explore biblical answers for helping them in an in depth manner The author s hope is that this book will help open this discussion Praise for *The Emotionally Abusive Mindset* *The Emotionally Abusive Mindset* is written from the heart of a seasoned biblical counselor Anne Dryburgh The third book in her *Overcoming Emotional Abuse* series dives deeper into recognizing the mind frame of the abuser and the victim in various relationships Her insights evoke a depth of discernment coupled with understanding and sympathy for those caught in the destruction of emotional abuse This book will help pastors

and biblical counselors obtain the biblical acumen to recognize abusive relationships and give sound counsel that produces a transformational change in Christ Shannon Kay McCoy Certified Biblical Counselor Biblical Counseling Director Valley Center Community Church Council Member of Biblical Counseling Coalition Author of Help I m A Slave to Food In an engaging and truly readable style Anne manages to present complex issues in an accessible way Anne explores what an abusive mindset actually looks like not just in clear definitions but through examples and story The second part of the book is especially helpful showing that in Christ there is true hope for everyone But Anne does not leave this hope as some ethereal aim rather she grounds it in real and practical ideas As with the other books in this series it will prove to be a valuable resource for both professionals and non professionals alike as well as providing victims and perpetrators of abuse a guide as to how to live out a truly godly life Simon Marshall International Director European Christian Mission For a concise biblically focused response to emotional abuse this is your book Anne Dryburgh aptly presents various expressions of spousal parent sibling disabled spiritual and elderly abuse Then navigating with biblical skill in a complex arena she identifies common well intentioned behavioral and spiritual mistakes and debunks the misuse of Scripture Based upon the relational functional and substantive callings of every believer which are carefully explained The Emotionally Abusive Mindset champions the choice to honor God rather than yielding to an abuser s desires This book packs a powerfully hopeful worldview into 100 pages A helpful tool for abuse survivors and their counselors Sue Nicewander Delaney MABC ACBC Anne has done it again Her writing is perspicuous theologically accurate and practical If you think you might be being abused by a boyfriend or girlfriend a spouse or a spiritual leader this small book may help you confirm or disconfirm your perception If you are a pastor or counselor wondering if you are dealing with a case of abuse or if an elder or deacon has an abusive mindset Anne can come to your rescue Howard Eyrich MA ThM D Min Director of Doctor of Ministry Program Birmingham Theological Seminary USA

Head of the House: Merelyn Webber, 2022-09-15 Much has been written to counter the idea that women should assume leadership roles whether in the church home or workplace Little however has been written to show how in avoiding leadership women might be abnegating their God ordained role as coleaders with men Women who want to know that they are walking in the fullness of God s will for their lives will need to answer this question for themselves is it a sin for women to lead In Head of the House Merelyn Webber addresses the question is it a sin for women to lead She contends that the issue of equal opportunity for women and men to rule needs to be examined soberly by all and not left to the experts to decide Derived from her personal relationship with Jesus her years of experience of marginalization in ministry within the church setting her years of study toward her MDiv and her call to ministry Merelyn offers a Biblical perspective of women in ministry Head of the House is a book about women It is to women and for women It is designed to help them understand for themselves what God and his word have to say about what he intends their roles in society to be **Untie the Cords of Silence** Michael Huffman, 2022-01-03 Christians often feel they are faced with a choice Either I compromise my commitment

to biblical authority or I embrace male authority over women as the Bible teaches Such a dilemma tends to prod Christians often reluctantly down one of two paths One path involves relegating the Bible's teaching to an antiquated past Certain passages are labeled artifacts of a patriarchal culture and deemed irrelevant for today The other path involves a doubling down in which Christians commit themselves to the Bible's perceived teaching about male authority and thereby set themselves over against a full commitment to equality Untie the Cords of Silence shows through careful readings of relevant biblical passages that Christians need not go down either of these paths It is possible to hold to both biblical authority and the full equality of men and women In fact doing so is the most logically coherent way of applying the Bible's message to the Christian life This book does not merely provide a way to tolerate the problem texts Instead it restores these texts to their rightful place as coherent integrated parts of the Bible's message of salvation and freedom in Christ

Created Male and Female Terrance Randall Wardlaw, 2021-01-19 In a culture where gender neutrality is the ideal why is it significant that we were created differently as male and female As the ethical consequences of the gender debate in the last generation manifest themselves this book explores biblical teaching in order to work toward a Christian perspective This discussion traces the theme of creation as male and female through the canon from the Pentateuch to the epistles and demonstrates how Pauline interpretation flows from Genesis 1:3 The grounding of the distinction between male and female in Genesis 1 as the climax of creation suggests the ethics associated with creation as male and female abide universally and for all time This book intends to present a comprehensive yet reasonably concise presentation of biblical teaching on creation as male and female without bogging down in the detailed disputes between complementarian and egalitarian writers This discussion considers each passage within its literary context and patristic writers from the first few centuries of the church function as a control on interpretation
