Classic Book Jackets Thomas Stansfield Hansen,2005 Salter s life and work bridged two continents and cultures and spanned the political turmoil of the mid twentieth century He survived both world wars the rise of National Socialism in Germany and permanent exile in a new land but nothing halted his tireless and brilliant design work Classic Book Jackets tells Salter s story and describes the innovative thinking he brought to his clients and students including his designation of seven jacket types that are still valid today It includes more than two hundred reproductions of his finest works as well as a complete catalog of his jackets designs and lettering jobs for the book trade **BOOK JACKET Gender, Mastery and Slavery** William Foster,2009-12-18 Gender family and sexual relations defined human slavery from its classical origins in Europe to the rise and fall of race based slavery in the Americas Gender Mastery and Slavery is one of the first books to explore the importance of men and women to slaveholding across these eras Foster argues that at the heart of the successive European institutions of slavery at home and in the New World was the volatile question of women s ability to exert mastery Facing the challenge to play the good mother in public and private free women from Rome to Muslim North Africa to the indigenous tribes of North America to the antebellum plantations of the southern United States found themselves having to economically manage slaves servants and captives At the same time they had to protect their reputations from various forms of attack and themselves from vilification on a number of fronts With the recurrent cultural wars over the maternal role within slavery touching the worlds of politics warfare religion and colonial and imperial rivalries this lively comparative survey is essential reading for anyone studying or simply interested in this key topic in global and gender history

The Solitary Vice Mikita Brottman,2008-02-12 Mikita Brottman wonders just why is reading so great It s a solitary practice one that takes away from time that could be spent developing important social networking skills Reading s not required for health happiness or a loving family And if reading is so important why are catchy slogans like Reading Changes Lives and Champions Read needed to hammer the point home Fearlessly tackling the notion that nonreaders are doomed to lives of despair and mental decay Brottman makes the case that the value of reading lies not in its ability to ward off Alzheimer s or that it s a pleasant hobby Rather she argues that like that other well known solitary vice masturbation reading is ultimately not an act of pleasure but a tool for self exploration one that allows people to see the world through the eyes of others and lets them travel deep into the darkness of the human condition [The Graphic Canon, Vol. 1](#) Russ Kick,2019-04-02 THE GRAPHIC CANON Seven Stories Press is a gorgeous one of a kind trilogy that brings classic literatures of the world together with legendary graphic artists and illustrators There are more than 130 illustrators represented and

Industry Training Committee,1955 **3,000 Books for Secondary School Libraries** Independent Schools Education Board,1961 Don Quixote Miguel de Cervantes,2018-09-27 Don Quixote spelled Quijote in modern Spanish is two separate volumes now nearly always published as one that cover the adventures of Don Quixote also known as the knight or man of La Mancha a hero who carries his enthusiasm and self deception to unintentional and comic ends On one level Don Quixote works as a satire of the romances of chivalry which though still popular in Cervantes time had become an object of ridicule among more demanding critics The choice of a madman as hero also served a critical purpose for it was the impression of ill being or in sanity rather than a finding of dementia or psychosis in clinical terms that defined the madman for Cervantes and his contemporaries Indeed the concept of madness was

associated with physical or moral displacement as may be seen in the literal and figurative sense of the adjectives eccentric extravagant deviant aberrant etc The novel allows Cervantes to illuminate various aspects of human nature Don Quixote is noble minded an enthusiastic admirer of everything good and great yet having all these fine qualities accidentally blended with a relative kind of madness He is paired with a character of opposite qualities Sancho Panza a man of low self esteem who is a compound of grossness and simplicity Don Quixote is cited as the first classic model of the modern romance or novel and it has served as the prototype of the comic novel The humorous situations are mostly burlesque and it includes satire Don Quixote is one of the Encyclop dia Britannica s Great Books of the Western World while the Russian author Fyodor Dostoyevsky called it the ultimate and most sublime work of human thinking 36 It is in Don Quixote that Cervantes coined the popular phrase the proof of the pudding is in the eating por la muestra se conoce el pano which still sees heavy use in the shortened form of the proof is in the pudding and who walks much and reads much knows much and sees much quien anda mucho y lee mucho sabe mucho y ve mucho Includes unique illustrations The Roxburghe Library of Classics ,1904 Los Angeles Saturday Night ,1929 **Fiction, 1876-1983: Authors** R.R.
