Don Quixote Volume 1 (Illustrated) Miguel de Cervantes, 2018-08-15 Rare edition with unique illustrations Don Quixote spelled Quijote in modern Spanish is two separate volumes now nearly always published as one that cover the adventures of Don Quixote also known as the knight or man of La Mancha a hero who carries his enthusiasm and self deception to unintentional and comic ends On one level Don Quixote works as a satire of the romances of chivalry which though still popular in Cervantes time had become an object of ridicule among more demanding critics The choice of a madman as hero also served a critical purpose for it was the impression of ill being or in sanity rather than a finding of dementia or psychosis in clinical terms that defined the madman for Cervantes and his contemporaries Indeed the concept of madness was associated with physical or moral displacement as may be seen in the literal and figurative sense of the adjectives eccentric extravagant deviant aberrant etc

35 The novel allows Cervantes to illuminate various aspects of human nature Don Quixote is noble minded an enthusiastic admirer of everything good and great yet having all these fine qualities accidentally blended with a relative kind of madness He is paired with a character of opposite qualities Sancho Panza a man of low self esteem who is a compound of grossness and simplicity Don Quixote is cited as the first classic model of the modern romance or novel and it has served as the prototype of the comic novel The humorous situations are mostly burlesque and it includes satire Don Quixote is one of the Encyclop dia Britannica s Great Books of the Western World while the Russian author Fyodor Dostoyevsky called it the ultimate and most sublime work of human thinking

36 It is in Don Quixote that Cervantes coined the popular phrase the proof of the pudding is in the eating por la muestra se conoce el pano which still sees heavy use in the shortened form of the proof is in the pudding and who walks much and reads much knows much and sees much quien anda mucho y lee mucho sabe mucho y ve mucho
