

Donald Judd The Multicolored Works

Donald Judd, Rudi Fuchs

Donald Judd The Multicolored Works:

Donald Judd Marianne Stockebrand, William C. Agee, Richard Shiff, Donald Judd, 2014 One of the most important American artists of the 20th century Donald Judd 1928 1994 pioneered the use of industrial materials and fabrication in serial forms to redefine the relationships between artist art object viewer and space and usher in the minimalist style Focusing entirely on Judd's multicoloured works this work features essays by leading scholars that illuminate this body of work and examine its relationship to his oeuvre as a whole **Donald Judd**, 2013 Responding to Judd, 2013 Students response to the exhibition Donald Judd the Multicolored Works at the Pulitzer Foundation for the Arts The book is a series of blank multicolored pages each with subtle differences and gradations in hue American Artists Engage the Built Environment, 1960-1979 Susanneh Bieber, 2023-07-31 This volume reframes the development of US American avant garde art of the long 1960s from minimal and pop art to land art conceptual art site specific practices and feminist art in the context of contemporary architectural discourses Susanneh Bieber analyzes the work of seven major artists Donald Judd Robert Grosvenor Claes Oldenburg Robert Smithson Lawrence Weiner Gordon Matta Clark and Mary Miss who were closely associated with the formal aesthetic innovations of the period While these individual artists came to represent diverse movements Bieber argues that all of them were attracted to the field of architecture the work of architects engineers preservationists landscape designers and urban planners because they believed these practices more directly shaped the social and material spaces of everyday life This book's contribution to the field of art history is thus twofold First it shows that the avant garde of the long 1960s did not simply develop according to an internal logic of art but also as part of broader sociocultural discourses about buildings and cities Second it exemplifies a methodological synthesis between social art history and poststructural formalism that is foundational to understanding the role of art in the construction of a more just and egalitarian society The book will be of interest to scholars working in art history architecture urbanism and environmental humanism Trisha Brown Susan Rosenberg, 2016-11-01 Trisha Brown re shaped the landscape of modern dance with her game changing and boundary defying choreography and visual art Art historian Susan Rosenberg draws on Brown's archives as well as interviews with Brown and her colleagues to track Brown's deliberate evolutionary trajectory through the first half of her decades long career Brown has created over 100 dances six operas one ballet and a significant body of graphic works This book discusses the formation of Brown's systemic artistic principles and provides close readings of the works that Brown created for non traditional and art world settings in relation to the first body of works she created for the proscenium stage Highlighting the cognitive kinesthetic complexity that defines the making performing and watching of these dances Rosenberg uncovers the importance of composer John Cage's ideas and methods to understand Brown's contributions One of the most important and influential artists of our time Brown was the first woman choreographer to receive the coveted MacArthur Foundation Fellowship Genius Award *Richard Shiff: Writing After Art* Richard

Shiff, 2023-05-16 A broad and deep anthology of critic and art historian Richard Shiff's most influential writings which have shaped our understanding of twentieth and twenty first century art Elegantly designed as intended for broad readership including art historians art critics artists among other lovers of art this volume is a must read experience with pleasure and discovery Phong Bui The Brooklyn Rail In his engaging and often strikingly deep observations of major modern and contemporary visual art Shiff has written about an impressive range of artists including Willem de Kooning Marlene Dumas Jasper Johns Donald Judd Barnett Newman Pablo Picasso and Bridget Riley A leading scholar and powerful voice Shiff's insight into some of the most prominent artistic practices spans generation place and approach as seen in this considered selection of essays on twenty six artists These writings first appeared in exhibition catalogues for retrospectives at galleries and institutions including the Centre Georges Pompidou the Solomon R Guggenheim Museum The Museum of Modern Art and Tate Modern Shiff supplements his unquestionable fluency in art history with insights cultivated from his readings in philosophy phenomenology literary theory and psychoanalysis among other fields Shiff's writing conceptually rich meditative and enjoyable to read is attuned to the nuances of artistic style and technique drawing out art's social implications not merely from broad histories but also directly from artists mark making and technical gestures Actively engaged as a viewer and a writer Shiff has transformed the act of looking at art into contemplative and captivating writing Includes essays on Georg Baselitz Mark Bradford Georges Braque Jim Campbell Chuck Close Willem de Kooning Peter Doig Marlene Dumas Dan Flavin Suzan Frecon Lucian Freud Ellen Gallagher Jasper Johns Donald Judd Ellsworth Kelly Brice Marden Julie Mehretu Barnett Newman Pablo Picasso Bridget Riley Richard Serra Joel Shapiro Richard Tuttle Cy Twombly Jack Whitten and Zeng Fanzhi **Donald Judd, Large-scale Works** Donald Judd, Rudi Fuchs, 2004 Like Andy Warhol Jonathan Flatley, 2017-11-24 Scholarly considerations of Andy Warhol abound including very fine catalogues raisonnés notable biographies and essays in various exhibition catalogues and anthologies But nowhere is there an in depth scholarly examination of Warhol's oeuvre as a whole until now Jonathan Flatley's Like Andy Warhol is a revelatory look at the artist's likeness producing practices not only reflected in his famous Campbell's soup cans and Marilyn Monroe silkscreens but across Warhol's whole range of interests including movies drag queens boredom and his sprawling collections Flatley shows us that Warhol's art is an illustration of the artist's own talent for liking He argues that there is in Warhol's productions a utopian impulse an attempt to imagine new queer forms of emotional attachment and affiliation and to transform the world into a place where these forms find a new home Like Andy Warhol is not just the best full length critical study of Warhol in print it is also an instant classic of queer theory Donald Judd: 1957-1963, 2025-09-16 This is the most comprehensive exploration of Donald Judd's paintings and early works to date providing unparalleled insight into the pivotal seven year period in which the revered artist transitioned from two to three dimensions Donald Judd's radical work and thinking helped shape the look of the late twentieth century and continue to influence artists architects and designers worldwide He

exercised a transformative influence over the ways in which both art objects and practical designs are produced exhibited encountered and used While primarily known for his three dimensional sculptural work most notably his famed stacks and progressions series Judd began life as a painter Between 1957 and 1963 he produced around eighty works on canvas distinctive explorations of line color and non representational composition that would directly inform the iconic three dimensional objects that followed This fully illustrated volume is the most comprehensive exploration of Judd s painting and early works to date providing unparalleled insight into that pivotal seven year period and tracing his transition from two to three dimensions The book features newly commissioned photography of all of Judd s paintings in addition to his early experiments with wall based sculptures as well as extended essays from three leading art historians Eileen Costello historian of modern and contemporary art discusses Judd s eventual rejection of or transition from the canvas in favor of the sculptural form Sarah K Rich an associate professor of art history at PennState Pennsylvania and director of its Center for Virtual Material Studies deconstructs and analyzes Judd s painterly technique and the resulting works on canvas Lynn Zelevansky historian curator and former Henry J Heinz II Director of the Carnegie Museum of Art Pittsburgh provides an overview of the period and the peers alongside whom Judd was formulating his paintings and early works Donald Judd was born in 1928 in Excelsior Springs Missouri and died in 1994 in New York His work is held in numerous collections including those of the Museum of Modern Art New York Solomon R Guggenheim Museum New York National Gallery of Art Washington DC San Francisco Museum of Modern Art Tate London and Tokyo Metropolitan Art Museum The Museum of Modern Art presented a major retrospective of Judd s work in 2020 21 In 1986 Judd founded the Chinati Foundation La Fundaci n Chinati in Marfa Texas for the permanent installation of his large scale works In 1977 he established the Judd Foundation in New York and Marfa Texas

Donald Judd Donald Judd,Christie, Manson & Woods International Inc,Judd Foundation,2006 **Donald Judd** Donald Judd,1977 **New York Magazine** ,1987-04-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Donald Judd* Annie Ochmanek,Alex Kitnick,2021-02-02 Artists architects art historians critics and curators explore the work of Donald Judd as both artist and critic in essays spanning all of Judd s career Donald Judd 1928 1994 is one of the most influential American artists of the postwar era Beginning in the 1960s he developed new ideas about art in both his works and writings that challenged many of modernism s core tenets by resisting the categories of painting and sculpture Judd described this work as specific objects Critics labeled it minimalism Perhaps because Judd s own critical writings provide a discursive framework for his work some of the monographic essays on his work are not widely known This volume collects critical and scholarly writings on Judd examining his work as both artist and

critic Donald Judd, Selected Works, 1960-1991 Donald Judd, 1999 *Icônes américaines* Grand Palais (Paris, France), Musée Granet, 2015 Ouvrage qui accompagne l'exposition du même nom présentée au Grand Palais Paris du 8 avril au 22 juin 2015 Durant la rénovation du San Francisco Museum of Modern Art le Grand Palais accueille les œuvres les plus emblématiques du musée ainsi que des pièces de la collection Fisher dont le SF Moma est propriétaire l'une des collections privées d'art moderne et contemporain les plus importantes du monde Commencée dans les années 1970 la collection de Doris et Donald Fisher cofondateurs de l'entreprise Gap rassemble plus d'un millier d'œuvres signées de 185 artistes tels que Alexander Calder Roy Lichtenstein Agnes Martin Richard Serra ou encore Andy Warhol Donald Judd Christie, Manson & Woods International Inc, 2006 Art Papers, 2003 Donald Judd Thomas Kellein, 2002 **Donald Judd Interviews** Donald Judd, 2019-11-12 Donald Judd Interviews presents sixty interviews with the artist over the course of four decades and is the first compilation of its kind It is the companion volume to the critically acclaimed and bestselling Donald Judd Writings This collection of interviews engages a diverse range of topics from philosophy and politics to Judd's insightful critiques of his own work and the work of others such as Mark di Suvero Edward Hopper Yayoi Kusama Barnett Newman and Jackson Pollock The opening discussion of the volume between Judd Dan Flavin and Frank Stella provides the foundation for many of the succeeding conversations focusing on the nature and material conditions of the new art developing in the 1960s The publication also gathers a substantial body of unpublished material across a range of mediums including extensive interviews with art historians Lucy R Lippard and Barbara Rose Judd's contributions in interviews panels and extemporaneous conversations are marked by his forthright manner and rigorous thinking whether in dialogue with art critics art historians or his contemporaries In one of the last interviews he observed Generally expensive art is in expensive chic circumstances it is a falsification The society is basically not interested in art And most people who are artists do that because they like the work they like to do that make art Art has an integrity of its own and a purpose of its own and it is not to serve the society That's been tried now in the Soviet Union and lots of places and it doesn't work The only role I can think of in a very general way for the artist is that they tend to shake up the society a little bit just by their existence in which case it helps undermine the general political stagnation and perhaps by providing a little freedom supports science which requires freedom If the artist isn't free you won't have any art Donald Judd Interviews is co-published by Judd Foundation and David Zwirner Books The interviews expand upon the artist's thinking present in Donald Judd Writings Judd Foundation David Zwirner Books 2016

Donald Judd Donald Judd, 2019-07-23 One of the most important American artists of the post-war period Donald Judd has come to define Minimalist art a label he strongly objected to His unaffected straightforward approach and strong interest in colour form material and space allowed him to create work with a direct material and physical presence without recourse to grand philosophical statements

Delve into the emotional tapestry woven by Emotional Journey with in Experience **Donald Judd The Multicolored Works** .
