the whitepaper of Bitcoin in 2008 Satoshi Nakamoto started the story of Bitcoin It is not just a question whether Bitcoin works as promised to as a peer to peer decentralized virtual currency It is much more a question of it being accepted by people in general The fact that various forms and definitions of money have existed throughout history an approach to apply characteristics and functions of money to Bitcoin is needed in order to clarify if it can be seen as an alternative form of money However due to the fact that sovereign states have already established rules and regulations in regard to currencies and money the institutions will also assess how to essentially classify Bitcoin as it is already too big to be ignored
