Ladies and gentlemen, good morning! On behalf of the organizer of this event I want to welcome you on our open forum about Climate change. While working in the Chemical Laboratory of the Philippines, he formed a group that will help our planet in preventing Climate Change; he called this group as "Builders of a New World Organization". With his own was group, they organized the last year event the "Run for the Pasig River" which aims to develop the polluted river of Pasig.
