Fresno Postcard History:

Greetings from Fresno William B. Secrest, 2007 More than 200 vintage color postcards provide a unique perspective on the storied past of Fresno County Postcards dating from as early as 1875 through the 1960s many of which have never before been publicly available are paired with brief passages that deftly position each card within its historical context Many famous Fresno edifices which have long disappeared are revived again including the El Rancho motel the Carnegie Library and the Pine Lake Lodge Educational and inspiring this exceptional compilation is a treasure trove for the regional history buff

Fresno John Reynolds, Michael J. Semas, 2013-01-07 Fresno was founded in 1872 in the middle of the vast fertile San Joaquin Valley and quickly became the financial and social center of California From the infinite amount of agricultural products to lumber oil water and electrical power the city thrived upon the multitude of natural resources that were abundantly available in the area As the county seat it was the political and cultural center of central California Shown in this volume are postcards of the city in its heyday Stockton in Vintage Postcards Alice Van Ommeren, 2004 Today's Stockton is a modern California city home to a quarter of a million people But few remember the details of its illustrious past Influenced by strategic waterways and rich soil Stockton attracted a succession of miners farmers shipbuilders and industrial entrepreneurs Throughout the years Stockton has evolved from a rough and tumble harbor town to an agricultural business and transportation center and has done so with a great amount of style and finesse This collection of vintage postcards showcases Stockton's early days from 1900 to 1950 capturing the elegance and industry of a young city on the journey to the modern era This book contains over 200 images of Stockton including the waterfront paddlewheel steamers beautiful hotels graceful estates sprawling farm vistas and the ornate buildings of downtown *Yosemite National Park in Vintage Postcards* Tammy Lau, Linda Sitterding, 2000 A mere utterance of the word a Yosemite conjures up images of Half Dome El Capitan giant sequoias and the unmatched beauty this northern California park has to offer However the area known today as Yosemite has not always been a place of tranquility Once the home of Ahwahnee tribe these Native Americans were forced to surrender their home to armed miners rushing for gold and a California government clutching the philosophy of Manifest Destiny **A History of Postcards** Martin Willoughby, 1994 *California History*, 2000 An Enduring Faith - Mennonite Stories Their History Their Persecution Emma Salmon-Plett, 2013 Vernice Shostal writes about An Enduring Faith Born and raised in Paraguay Emma Salmon Plett is the author of An Enduring Faith a chronicle of the trials of the Mennonites while they moved from country to country seeking a place where they could practise their faith in freedom She has personally endured and persevered to overcome language health and financial difficulties Emma likes to spend time with her two children and one grand daughter as well as gardening I have a miniature Butchart Garden she says I keep my memory sharp by being involved in church planting and teaching Bible at our Bible study meetings Every life is a journey Emma Salmon's journey of faith has given her the strength to overcome financial hurdles a language barrier and cancer surgery that left her

partially incapacitated to achieve a doctoral degree marry raise a family and live a full life Senior Living Vancouver Island s 50 Lifestyle Magazine Every life is a story inside a much larger story Every life gathers and refracts a hundred other stories a thousand each worthy of a book all by itself The joy of Emmi Salmon s book is how seamlessly she knits together her own story with the thousand others This is at once a compelling history of the Mennonites a gripping narrative of several Mennonite communities and families a loving tribute to one family and a personal memoir of one woman s life and times It has all the makings of a great novel suffering and endurance betrayal and loyalty love and faith and a plot that sweeps the globe That the events narrated here actually happened make it all the more poignant and inspiring Mark Buchanan Pastor and author of *Your God is too Safe* and many others A deeply personal account of the trials and tribulations suffered over the centuries by a Mennonite family in their determination to remain true to the faith of their fathers The author s sense of identity with the entire historical Mennonite community combines with her own individual reactions to events that both affect her personally and that determined her family s destiny to bring the entire story to life in a way that resonates with her sense of humour and outrage and the steadfastness of her faith Gray Sutherland author of *A Twitter of Sparrows* NATO translator Editor of *Enduring Faith* *The Journal of Arizona History* ,2014 *Kings County* Michael J.
