Frodo's Journey Joseph Pearce, 2015-08-17 J R R Tolkien's magnum opus The Lord of the Rings has been beloved for generations selling millions of copies and selling millions more tickets through its award winning film adaptations The immense cultural impact of this epic is undeniable but the deeper meaning of the story often goes unnoticed Here Joseph Pearce author of Bilbo's Journey uncovers the rich and distinctly Christian meaning just beneath the surface of The Lord of the Rings Make the journey with Frodo as he makes his perilous trek from the Shire to Mordor while Pearce expertly reveals the deeper spiritual significance Did you know that the events of The Lord of the Rings are deeply intertwined with the Christian calendar Or what the Ring with its awesome and terrible power represents How do the figures of good and evil in the story reflect those forces in our own lives Find the answers to these questions and much more in Frodo's Journey

New Manifestations from the Creation and Thought of the Fantastic Cuéllar Santiago, Francisco, Pérez Valero, Vicente Javier, The figure of the monster is almost from its very definition a product of the imagination and the scientific and technological skills of its creator who is usually described as a prodigious and exceptional individual Beyond the meanings conveyed by representations of the monstrous however the central question of all works of fiction that use this resource in the realm of the fantastic is also that of the role of man and the task he sets himself as creator and therefore as a true monster according to the etymological meaning of the Latin monstrum something unusual exceptional or a prodigy contrary to the natural order The question manifests itself in different ways in the realms of cinema comics and of course literature

The Good News of the Return of the King

Michael T. Jahosky, 2020 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien's The Lord of the Rings as well as The Hobbit and the Silmarillion In this book I propose that J R R Tolkien's The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many
