Until Every Woman Is Free Christina L. Dobbs,Christine Montecillo Leider,2025-11-27 Women of color in academia from a variety of backgrounds use autoethnographic methods to document and unpack their experiences in the academy and offer insights into how institutions of higher education could better support faculty especially women of color **Violent and Sexual Offenders** Jane L. Ireland,Carol A. Ireland,Philip Birch,2009 Building on the success of the first edition and the growth of research in the field over the past decade this book offers an authoritative overview of the assessment treatment and management of violent and sexual offenders This new and expanded edition reflects the considerable developments in research and empirical data and captures the increasing breadth of risk assessment approaches the wider range of empirically based therapies and the more creative means of considering management *Marriage, Bible, Violence* Saima Afzal,Johanna Stiebert,2023-10-01 Drawing on both biblical studies scholarship and practitioner experience this book explores the disjuncture between complementarian accounts of biblical marriage and intersections of marriage and violence in texts from Jewish and Christian Scriptures This volume challenges authoritative complementarian claims to the Bible s allegedly clear and unequivocal directions on marriage It refutes these claims with analysis of the muddled and often violent depictions of marriage in the Bible itself Regular reminders show why such an exploration matters that is because recourse to the authority and plain meaning of the Bible has had and continues to have impact on real people s lives Sometimes this impact is violent and traumatic notably when the Bible is weaponised to justify intimate partner violence This book explores a wide range of biblical texts and interpretations Particular focus is placed on the influential pronouncements on biblical marriage by the US Family Research Council and Council for Biblical Manhood and Womanhood Textual analysis includes close focus on Genesis 1 3 Malachi 2 and Ephesians 5 This book will appeal to students of biblical studies and theology as well as anyone interested in research based activism and in how sacred texts are directed towards modern day to day life It investigates marriage the Bible and violence all of which play significant roles in public discourses and popular culture Working Woman ,2000 Young People and the Future of News Lynn Schofield Clark,Regina Marchi,2017-09-21 Young People and the Future of News traces the practices that are evolving as young people come to see news increasingly as something shared via social networks and social media rather than produced and circulated solely by professional news organizations The book introduces the concept of connective journalism clarifying the role of creating and sharing stories online as a key precursor to collective and connective political action At the center of the story are high school students from low income minority and immigrant communities who often feel underserved or misrepresented by mainstream media but express a strong interest in politics and their communities Drawing on in depth field work in three major urban areas over the course of ten years Young People and the Future of News sheds light on how young people share news that they think others should know about express solidarity and bring into being new publics and counter publics Vertical File Index
