## **Free Give Should Christians Tithe:**

Free to Give Bart Peters, 2015-12-15 The answer to the question Should Christians give is a resounding yes However the answer to the question Should Christians tithe is quite simply no And for good reasons The central message of the book is that we are free to give in the way of the Spirit and we are not bound to give in the way of the old Law This book examines five of the most popular arguments in favor of the tithe and contrasts them against the model for Christian giving as revealed through the teachings of New Testament Most importantly motive is addressed as the crucial element of giving that pleases God Far from discouraging Christians from giving especially to their local church this book challenges its readers to freely give in all areas of life according to the Holy Spirit *No Percent Tithe* Titi Accam, 2020-06-19 For a lot of Christians tithing is a deeply ingrained tradition reinforced each week on television and in the pulpits by people they look up to However those who take the time to study tithing as practiced in the bible will find out that Christian or storehouse tithing is both unbiblical and cannot be justified Why the fixation with tithing Why all the manipulation and deceit on a topic Christians should not be concerned about WHAT DOES THE BIBLE SAY ABOUT TITHING No Percent Tithe is an easy to read book that shows you what the Bible really says about paying tithes The book 100% backed by bible verses clarifies and answers the questions you have about tithing Questions like Who Paid Tithes Under the Law of Moses Did Abraham and Jacob tithe Can you tithe money Can pastors ask for a tithe Why do pastors demand the tithe Are you cursed if you don't tithe How should you give to God The author uses charts and diagrams to explain and contrast tithing under Moses's Law with Christian storehouse tithing and also looks into how Abram Abraham tithed Christians who read No Percent Tithe will be surprised to find out that Abraham Jacob and early Christians did not tithe Jesus Peter and Paul could not receive tithes It is unbiblical to tithe money or your income The priests received ONE% not 10% of the harvest Pastors are not the modern day Levites There was money in those days but God did not want money as a tithe Here are the chapter titles Tithing under Moses Why tithing to your church is not biblical Abraham and Jacob did not tithe 5 reasons pastors teach untruths about tithing Why Moses's law does not apply to Christians God's Portion Was ONE% NO % Tithe Just Give Why you should say no to tithing After reading NO % Tithe you will understand God's plan for Christian giving and realise that storehouse tithing is unbiblical The Bible says that we must rightly divide the word of truth to prevent confusion in our thinking 2 Timothy 2:15 and that is why you must read the No % Tithe book If your goal is to be free to give as led by God and not be forced to give to a church or ministry purchase a copy of this boo **Written Aforetime** David Dunlap, 2008-12-29 **The Englishman's magazine [ed. by W. **It's Your Money Isn't It?** G. Edward Reid, 1993 What you are about to discover in this book will be new to many readers very new To some the principles will seem radical They will even appear foolish to a non Christian I have written this book for those who have accepted Jesus Christ as their Saviour and are seeking to make Him Lord of their lives as well The materialistically oriented cannot fathom that it really is more blessed to give than to receive and that life does not consist in
