The Kama Sutra of Vatsyayana Vatsyayana,Richard Francis Burton,Bhagavanlal Indrajit,2014-03-01 Ka ma one of the four goals of Hindu life means sensual or sexual pleasure Su tra means a thread or line that holds things together metaphorically an aphorism or a collection of aphorisms in the form of a manual Thus the Kama Sutra is literally a manual of sexual pleasure but also a discussion of virtuous and gracious living and of love This ancient Indian Hindu text is the standard work on human sexual behavior in Sanskrit literature It was composed between 2 400 and 1 800 years ago and the compendium was collected into the form presented here in the 2nd century CE This the most popular English translation was first printed privately in 1883 It is attributed to renowned orientalist and author Sir Richard Francis Burton although he served chiefly as publisher of the work while providing the footnotes The bulk of the actual translation work was handled by the pioneering Indian archaeologist Bhagavanlal Indrajit and his student Shivaram Parashuram Bhide This volume combines some classic illustrations of the work from the 1800s with the complete English text for an eye opening exploration of the ways of love and pleasure Kamasutra With Ancient & Modern Illustrations Vatsyayana,2016-04-06 Man should study the Kama Sutra and the arts and sciences subordinate thereto in addition to the study of the arts and sciences contained in Dharma and Artha Even young maids should study this Kama Sutra along with its arts and sciences before marriage and after it they should continue to do so with the consent of their husbands Here some learned men object and say that females not being allowed to study any science should not study the Kama Sutra But Vatsyayana is of opinion that this objection does not hold good for women already know the practice of Kama Sutra and that practice is derived from the Kama Shastra or the science of Kama itself Moreover it is not only in this but in many other cases that though the practice of a science is known to all only a few persons are acquainted with the rules and laws on which the science is based Thus the Yadnikas or sacrificers though

ignorant of grammar make use of appropriate words when addressing the different Deities and do not know how these words are framed Again persons do the duties required of them on auspicious days which are fixed by astrology though they are not acquainted with the science of astrology In a like manner riders of horses and elephants train these animals without knowing the science of training animals but from practice only And similarly the people of the most distant provinces obey the laws of the kingdom from practice and because there is a king over them and without further reason 11 And from experience we find that some women such as daughters of princes and their ministers and public women are actually versed in the Kama

Kamasutra Sex Position for Beginners Vincent Brown Rnd, 2021-01-12

Introduction When Indian history is written in the West the Kama Sutra a few thousand years ago there is no way it could have been the most important work in the world. Now the Kama Sutra is a synonym for sex. A number of outlets have used Kama Sutra to get a crazy word from the very name. Cosmo Kama Sutra to the highly unauthorized read Star Wars Kama Sutra get kamasutra.com and you'll find a man specializing in luxury romance and not married to a body and not doing it. If it seems strange that a 2000-year-old text not necessarily such a man in a tunic and a woman in a dress is a stranger when you realize that the most famous Kama Sutra is not actually about sex. Unlike the many modern sex manuals that bear the name of the original Kama Sutra a philosophical text for a long time in the history of the world and fruitful relationship to the extent that it is a sex manual it is something that has come from the notion that sex and not necessarily sexual positions are the heart of human life. Of course in the 2000-year-old text the very heteronormative which is not a norm to be followed and not to do make a man in the text the reader's marriage will be a heterosexual one.
