The Nigger's Holy Bible Robert Ray, Swedenborg, 2018-03-23 Of all the numberless books written about the Black Race through the centuries none can be considered more rationally valid than The Nigger s Holy Bible Others have focused on how Niggers arrived to the state they are in or how they can become more like the White Race Of all the races who have come to America the Niggers are the only race without their own God Church and religion Any race of people who do not have their own God to worship Church to dwell in and a religion to live in will never be on a solid foundation and will never find true genuine happiness All the other races who came to America brought with them their God Church and religion and were allowed to worship as they pleased The Africans were the only race denied this freedom so they were forced to become niggers with no God Church or religion Moving from slaves to niggers and forced to embrace The White Holy Bible God Church and religion Anything forced upon a race will not endure forever THE Niggers Holy Bible is given by God The Infinite Man to free the soul of all Niggers from bondage of The white Holy Bible People Come forth all you niggers and enter in through this narrow gate so you may find the true meaning of life The Bible According to a Nigger Harry McNeary, 2004-01-01 God Bible Black Mans Destiny , 1993
