

A young woman with blonde hair, wearing a white dress with a green trim and white gloves, is sitting on a white chest of drawers. She is looking towards the camera with a slight smile. The chest of drawers has several drawers with round knobs. In the background, there is a large window with multiple panes and a stone wall. A lit candle is visible in the bottom left corner.

Sissy Alice sits on the top of a chest of drawers in her bedroom thinking back to when all this nonsense first began 2 years ago. The 16 year old was forced to become a sissy after refusing to do the household chores allocated to him by his stepmother. He complained that doing the ironing, cooking the dinner or cleaning the house was womens work.

Alice has no excuse now not to help around the house. The female hormones have feminized his body and he is now a sissy girl in every way except one and that final procedure will be done in just a couple of weeks.
