Gita For Daily Enrichment:

Gita for Daily Enrichment Chaitanya Charan Das, 2013-12-29 Gita for Daily Enrichment provides condensed nuggets of insight gleaned from the Vedic wisdom tradition and re presented in an idiom and style that resonates with contemporary needs interests and concerns The Vedic Indian wisdom tradition has provided some of the loftiest philosophical insights in the world yet most contemporary people both Indians and non Indians find it difficult to see the relevance of those insights to their daily lives and contexts This difficulty is caused not by the irrelevance of those insights but by their inaccessibility they are generally written in Sanskrit often using words that have multiple meanings embedded in them Moreover they frequently presume familiarity with the subtle nuances of the thought systems within which they developed Making the totality of Vedic thought accessible to the modern mind requires comprehensive research and exhaustive writing a massive task upon which many scholars worldwide are working vigorously Even if this thought becomes accessible not many people have the time or more importantly the interest to access this giant body of wisdom Gita Daily makes the humble attempt to stimulate interest in Vedic thought by mining and bringing forth small nuggets of wisdom that the contemporary mind can find accessible relevant and illuminating Within the Vedic tradition I have chosen to focus on the Bhagavad gita because it is simultaneously profoundly philosophical unendingly inspirational and eminently practical Over the last 15 years I have studied the Gita dozens of times and have spoken on it hundreds of times I have also taught the full Gita as a systematic course several times and have written scores of articles on it Despite this repeated contact with the Gita I am even now amazed by its unfading freshness contemplation on its verses brings rejuvenation illumination and determination I feel deeply indebted to the Bhagavad gita for the sanity clarity gravity tenacity and velocity that it has brought to my life As an expression of my gratitude to the Gita I feel impelled to do whatever I can to make its inspiration available as much as possible But I also realize that most people in today s culture will not have the time or the facility to carry out an intensive or extensive study of the Gita So the Gita daily is my humble attempt to repay my debt to the Gita by making its wisdom comprehensible and accessible through daily nuggets of contemplation on one or more of its verses As I am focussing on the inspirational potency of the Gita and not on its semantic intricacies I generally don t quote either the Sanskrit verse or its English translation verbatim but present the relevant import of the verse rendered according to the theme under discussion Nonetheless I have provided the translation of these verses at the bottom of each article To ensure that these articles don t become too technical or academic I also don t quote too frequently from the various Gita commentaries by erudite and saintly teachers I hope that you find Gita Daily helpful in your spiritual journey in coming closer to the Gita and to its speaker Lord Krishna who is forever waiting for us in our own hearts Medow ,1986 **Belong (Gita Daily Series Book 3)** Chaitanya Charan, 2016-04-04 Belong addresses our heart s longing to belong to something bigger than ourselves a longing that is nourished and fulfilled by the Bhagavad gita s transformational message of spiritual love While presenting that message in

accessible 300 word nuggets Belong shines the light of the Gita on many themes important for our inner growth Optimism Our willingness is more important than our willpower Resentment Possibilities expand when we begin from where we are instead of where we should be Happiness Temporary relief from self inflicted torture is not pleasure Association Our desires are not just linear but also triangular Temptation We don't have to defeat our lower desires we can just let them lose Discipline Rules free you to be you Devotion Krishna is the master before whom we stand truly tall These 121 reflections prompt the head and the heart to move closer towards belonging to the one in whom our potentials attain the fullest development and we find the deepest fulfillment **Influence of Karmas (action) on life** Dr. Ashok M. Mind It! (Gita Daily Series Book 4) Chaitanya Charan,2016-09-13 Nothing shapes our perceptions emotions actions and ultimately our destiny as much as our mind Though the mind is a constant inner presence we rarely realize its presence leave alone evaluate its effect Mind It offers sixty four reflections on ten verses of the Bhagavad gita an ancient classic on mind management Each of these reflections is like an inner torchlight for observing whether our mind is working for our interests or against them Some of the reflections are The mind is a tormentor not a mentor The mind may replay but we don't have to play If we let the mind fill in the blanks it will overwrite the sentence The mind is like a dog that barks but can't bite unless we let it When the mind cries wolf know that the mind is the worst wolf Play the part of the part and the whole will fill the hole Meditation minimizes inner friction and maximizes outer contribution The mind is the TV and the TV thief When you shake an apple tree don't be blind to the falling of mangoes With catchy concise titles that convey the gist of each of its reflections Mind It is a ready resource for spiritual empowerment in our inner battle for fulfilling our potential **Cultural Nonviolence** Chandan Sengupta, This book is published independently by author with an aspiration of exposing people to the age old philosophy of Yoga through incorporation of the core principle of the Vedic concepts and ideals in this publication The core of the philosophy is addressed by some real life examples duly collected from different instances Nonviolence moves on alongside Peace and paves a path of progress in the path of spiritual journey It also ensures a confluence towards the initiation of balanced social living We cannot claim any historical importance of events displayed in this publication Integral Yoga impregnated with peace and nonviolence has its presence along with some sort of limitations at different living entity in all life forms Different chapters of The Bhgavadgita display affinity of discussion towards different faculties of Yoga and Meditation various aspects of Peace and Nonviolence are another beauty of the Holy Scripture For making the considerations better and widely applicable an effort is made to bring out the doctrines related to Peace and Nonviolence from restricted confinements of Religion Majority of discussion move around the convergence of Sankhya Yoga and Vedantic Philosophy Most widely discussed one of these is Karma Yoga the Yoga of Performance Actions and Perfections in detail It is actually not possible to pass through any one faculty of Yoga without experiencing integration of other aspects of Yoga Because of that

reason The Bhagvadgita implies thoughts upon integration of all the streams of philosophy for framing a time tested guide to be adopted by fellow aspirants *Emerging Infectious Diseases* ,2009 **E. N. E. R. G. Y.** Chaitanya Das,2014-02-02
