## **Give Them Christ Preaching His Incarnation Crucifixion Resurrection Ascension And Return:**

*Give Them Christ* Stephen Seamands, 2012-04-08 Much preaching today begins with the hearer's felt needs and then moves to how Christianity can solve those problems. But this approach often results in trite Christologies that merely use Jesus as a means to an end or a vehicle for self-improvement. While preachers might not dispense with Christ altogether, other things subtly take center stage and become more important than Christ himself. Pastoral theologian Stephen Seamands issues a stirring call to rediscover the centrality of Christ in preaching. Deftly blending doctrine and praxis, he revitalizes preaching by focusing on five key dimensions of Jesus' work: his incarnation, crucifixion, resurrection, ascension, and return. Seamands highlights how preaching Christ crucified and risen speaks profoundly to the deepest dimensions of human existence. Addressing both the *what* and the *so what*, this exposition helps church leaders declare afresh that Christ alone is supremely sufficient for Christian faith and practice. Pastors and preachers will find here significant resources for their churches' worship, life together, and mission in the world. Become captivated once again by the glory of Christ and find yourself compelled to proclaim his work anew.

**Give Them Christ** Seamands Stephen, 2012-06 Pastoral theologian Stephen Seamands issues a stirring call to rediscover the centrality of Christ in preaching. Deftly blending doctrine and praxis, he revitalizes preaching by focusing on five key dimensions of Jesus' work: incarnation, crucifixion, resurrection, ascension, and return. Preachers will find here significant resources for worship and mission. [Ascent into Heaven in Luke-Acts](#) David W. Pao, David K. Bryan, 2016-12-01 In comparison with other aspects of Jesus' life and ministry, his ascent into heaven has often been overlooked within the history of the church. However, considering its placement at the end of the Gospel and the beginning of Acts, the only narrative depictions of the event in the New Testament, the importance of Jesus' ascent into heaven is undeniable for Luke's two-volume work. While select studies have focused on particular aspects of these accounts for Luke's story, the importance of the ascension calls for renewed attention to the narratological and theological significance of these accounts within their historical and literary contexts. In this volume, leading scholars discuss the ascension narratives within the ancient contexts of biblical Second Temple Jewish and Greco-Roman literature, the literary contours of Luke-Acts, and questions of historical and theological significance in the wider milieu of New Testament theology and early Christian historiography. The volume sets out new positions and directions for the next generations of interpreters regarding one of the most important and unique elements of the Lukan writings. *Because of Bethlehem (with Bonus Content)* Max Lucado, 2016-09-13 Rekindle your connection to the Christ of Christmas so you can fully enjoy God's blessings this holiday season. Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are

most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease     Faith in Action, Volume 1 Stan Chu Ilo,Nora K.
