The Bible According to Jim Rev. Dr. James K.

Stewart, 2014-11-05 In 1976 Rev Dr Stewart read the whole Bible for the first time and became fascinated with God's relationship with creation. After an early life in construction, Dr Stewart felt God's calling and returned to university. At university, he majored in ancient history and studied the Hebrew language. His exegetical work is taken directly from biblical Hebrew and Greek. This ability has helped him understand how ancient male bias has been promoted by the church in all ages. As a student of the Bible, he has come to see how the woman's voice has often been suppressed. He has also come to appreciate that when it is not suppressed, a certain beauty shines forth. Knowledge of scripture from the Hebrew perspective allowed him to discover how the male voice can make a positive statement at the beginning of a story and then go on to contradict the statement by describing the negative actions that followed. Dr Stewart lives in Milverton, Ontario, with his wife Marjorie. They are forty-five years old and enjoy visiting their two children and five grandchildren. Retirement has given him the opportunity to research, write, and play golf. Ordained as an Elder in Chedoke Presbyterian Church in 1981, he attended McMaster University, Hamilton, in 1996, earning a Diploma in Theology. He also attended Knox College, Toronto, for a Master of Divinity degree and the University of Toronto for a Doctor of Ministry. He completed a Certificate course in conflict management at Conrad Grebel University, Waterloo. Ordained to Ministry of Word and Sacraments in 2001, he has served churches in Bathurst, New Brunswick, and Milverton, Ontario. He retired in 2012 as Past Master of Corinthian Lodge 513, Hamilton, Ontario. He is Past Most Wise Sovereign of Hamilton Chapter of Rose Croix and an Honorary Member of the Supreme Council AASR 33. Jim was a master scuba instructor. He loves diving and fishing in the Caribbean.

Israel and the Covenants in New Testament Times Peter Williams, A Bible student reference. A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end. Yet Christianity has overwhelmingly moved so far from its first-century roots that it could not even recognise this or that Christ's return is therefore now almost upon us. How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God. In God's saving plan for the world, everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God. The route to take is the strait and narrow way, Mat 7:13-14, that very few have so far found, and it involves the biblical new and old covenants which both apply to this Israel. Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions, be a serious open-minded Bible student, and trust what the Bible teaches, but remember that time is short. What the Bible has taught me, I see as both vital and urgent for our eternal salvation, yet I know of no church or individual theologian who teaches what this book deals with in any substantive way. Be prepared for major challenges to your understanding, just as God has challenged me. In the epistles, Paul refers to two Israels, whom he calls Israel after the flesh, I Cor 10:18, and the Israel of God, Gal 6:16. I focus mainly on the latter, but I also explain

an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

The Danger of Sunday Worship Hilton Napoleon,2023-01-18 This book is about restoring God s proper day of worship to Saturday the Sabbath day the day he commanded blessed sanctified and made holy This book explores the challenges Christians face in making the change to Sabbath day worship and the consequences God places on them for not obeying his holy word This book exposes the issues that are keeping them trapped in the false day of Sunday worship This book offers believers clear cut scriptural evidence of God s holy day of worship and exposes the Christian leaders responsible for misleading their congregations in false Sunday worship Christianity in relation to Freethought, Scepticism, and Faith Charles Bradlaugh,William Connor Magee,2022-06-13 In Christianity in relation to Freethought Scepticism and Faith Charles Bradlaugh presents a profound examination of the philosophical and theological debates that have long stirred the intellects of both the devout and the doubtful Through a compendium of correspondence with the Bishop of Peterborough Bradlaugh delves into the essence of Christian faith juxtaposed with the critiques derived from Immanuel Kant s brand of skepticism and the principles of freethought The book is not merely an exchange of ideas but also a reflection of the era s literary style resonating with the intense and polemic discourse typical of Victorian intellectual circles Charles Bradlaugh himself was a leading figure of secularism and an outspoken advocate of atheism in 19th century Britain His personal excursions into politics social reform and religious debate inform much of the substance found within these letters Bradlaugh s life experiences not only furnished him with the material necessary for such discourse but also emboldened him to challenge ecclesiastical authority and advocate for the liberty of conscience For anyone intrigued by the interplay of belief and skepticism Christianity in relation to Freethought Scepticism and Faith provides a rigorous yet accessible exploration of these concepts It is recommended for students of theology philosophy and history or any reader seeking to understand the complexity of religious thought balanced against the quest for intellectual freedom Bradlaugh s work continues to be a relevant and thought provoking contribution to the discourse on faith and reason
