## **Giving Offense Essays On Censorship:**

*Giving Offense* J.M. Coetzee, 2018-07-16 Winner of the 2003 Nobel Prize in Literature J M Coetzee presents a coherent unorthodox analysis of censorship from the perspective of one who has lived and worked under its shadow The essays collected here attempt to understand the passion that plays itself out in acts of silencing and censoring He argues that a destructive dynamic of belligerence and escalation tends to overtake the rivals in any field ruled by censorship From Osip Mandelstam commanded to compose an ode in praise of Stalin to Breyten Breytenbach writing poems under and for the eyes of his prison guards to Aleksander Solzhenitsyn engaging in a trial of wits with the organs of the Soviet state *Giving Offense* focuses on the ways authors have historically responded to censorship It also analyzes the arguments of Catharine MacKinnon for the suppression of pornography and traces the operations of the old South African censorship system The most impressive feature of Coetzee s essays besides his ear for language is his coolheadedness He can dissect repugnant notions and analyze volatile emotions with enviable poise Kenneth Baker San Francisco Chronicle Book Review Those looking for simple ringing denunciations of censorship s evils will be disappointed Coetzee explicitly rejects such noble tritenesses Instead he pursues censorship s deeper more fickle meanings and unmeanings Kirkus Reviews These erudite essays form a powerful bracing criticism of censorship in its many guises Publishers Weekly *Giving Offense* gets its incisive message across clearly even when Coetzee is dealing with such murky theorists as Bakhtin Lacan Foucault and Ren Girard Coetzee has a light wry sense of humor Bill Marx Hungry Mind Review An extraordinary collection of essays Martha Bayles New York Times Book Review A disturbing and illuminating moral expedition Richard Eder Los Angeles Times Book Review [The Bloomsbury Handbook to J. M. Coetzee](#) Lucy Valerie Graham, Andrew van der Vlies, 2023-08-24 J M Coetzee novelist essayist public intellectual and Nobel Laureate in Literature 2003 is widely recognized as one of the towering literary figures of the last half century With chapters written by leading and emerging scholars from across the world *The Bloomsbury Handbook to J M Coetzee* offers the most comprehensive available exploration of the variety range and significance of his work The volume covers a wealth of topics including The full span of Coetzee s work from his poetry to his essays and major fiction including *Waiting for the Barbarians* *Disgrace* and the Jesus novels Biographical details and archival approaches Coetzee s sources and influences including engagements with Modernism South African Australian Russian and Latin American literatures Interdisciplinary perspectives including on visual cultures music philosophy computational systems and translation *The Bloomsbury Handbook to J M Coetzee* provides indispensable scholarly perspectives covers emerging debates and maps the future direction of Coetzee studies **Rhetorics of Resistance** Bryan Trabold, 2018-10-24 The period of apartheid was a perilous time in South Africa s history This book examines the tactics of resistance developed by those working for the *Weekly Mail* and *New Nation* two opposition newspapers published in South Africa in the mid and late 1980s The government in an attempt to crack down on the massive political resistance sweeping the country had imposed martial law and imposed

even greater restrictions on the press Bryan Trabold examines the writing legal and political strategies developed by those working for these newspapers to challenge the censorship restrictions as much as possible without getting banned Despite the many steps taken by the government to silence them including detaining the editor of New Nation for two years and temporarily closing both newspapers the Weekly Mail and New Nation not only continued to publish but actually increased their circulations and obtained strong domestic and international support New Nation ceased publication in 1994 after South Africa made the transition to democracy but the Weekly Mail now the Mail Guardian continues to publish and remains one of South Africa's most respected newspapers

J.M. Coetzee and the Life of Writing David Attwell, 2015 J M Coetzee is one of the world's most intriguing authors Compelling razor sharp erudite the adjectives pile up but the heart of the fiction remains elusive Now in J M Coetzee and the Life of Writing David Attwell explores the extraordinary creative processes behind Coetzee's novels from *Dusklands* to *The Childhood of Jesus* Using Coetzee's manuscripts notebooks and research papers recently deposited at the Harry Ransom Center of the University of Texas at Austin Attwell produces a fascinating story He shows convincingly that Coetzee's work is strongly autobiographical the memoirs being continuous with the fictions and that his writing proceeds with never ending self reflection Having worked closely with him on *Doubling the Point* Essays and Interviews and given early access to Coetzee's archive David Attwell is an engaging authoritative source J M Coetzee and the Life of Writing is a fresh fascinating take on one of the most important and opaque literary figures of our time This moving account will change the way Coetzee is read by teachers critics and general readers

**Complicity and Responsibility in Contemporary African Writing** Minna Johanna Niemi, 2021-05-03 This book investigates the many ways in which contemporary African fiction has reflected on themes of responsibility and complicity during the postcolonial period Covering the authors Ayi Kwei Armah Tsitsi Dangarembga Nuruddin Farah Michiel Heyns and J M Coetzee the book places each writer's novels in their cultural and literary context in order to investigate similarities and differences between fictional approaches to individual complicity in politically unstable situations In doing so the study focuses on these texts representations of discomfiting experiences of being implicated in harm done to others in order to show that it is precisely during times of political crisis that questions of moral responsibility and implicatedness in compromised conduct become more pronounced The study also challenges longstanding western amnesia concerning responsibility for historical and present day violence in African countries and juxtaposes this denial of responsibility with the western literary readership's consumption of narratives of African suffering The study instead proposes new reading habits based on an awareness of readerly complicity and responsibility Drawing insights from across political philosophy and literary theory this book will be of interest to researchers of African literature postcolonial studies and peace and conflict studies
