

Johnny Crumb's boring life was going nowhere fast until one shocking evening when his life was turned upside down. Suddenly his wildest dreams were coming true; ... fighting criminals with his new super powers ... discovering the girl of his dreams ... and eating donuts to his heart's desire.

Martha Maybee was a brilliant but lonely scientist. Just when she thought her life couldn't get any more pathetic, she found herself trapped in a weird laboratory with a group of power hungry, talking rats. Soon, sweet and shy Martha was fighting evil and doing physical feats no ordinary human can do.

When a villain named RoboCreep goes on a crime spree through downtown Megalopolis, there are only two people foolish enough and crazy enough to stand in his way, Glazed Man and Rat Girl.
