Globalization And Crime Key Approaches To Criminology:

Globalization and Crime Katja Franko, 2019-10-28 Now in its third edition *Globalization Crime* provides students with a comprehensive overview of the essential themes and conceptual debates surrounding globalization and global criminology. It examines established topics such as human trafficking and smuggling, migration and organised crime. But also explores modern issues such as the refugee crisis in Europe, cyber hacking and enforcement and the failure of Internet Service Providers to take responsibility for online content. The third edition has been significantly updated with new content and examples along with modern case studies such as the political context surrounding the development of ISIS, organ trafficking and an anti globalization backlash in the UK and US. It also features two new chapters: Global Ecological Destruction: An investigation into the development of environmental criminology and Towards a Cosmopolitan Criminology: An overview of the possibilities for establishing a global criminology and coverage of the emerging issues to consider for the future. Ideal reading for undergraduate and postgraduate students of criminology, globalization and sociology.

Globalization and Crime Katja Franko Aas, 2013-04-30 *Globalization Crime* brings together the closely related subjects of criminology and global sociology. Ideal for upper level undergraduate and postgraduate students, it examines established topics such as human trafficking and smuggling, migration and organised crime. It also delves into new territory and explores the issues surrounding international criminal justice, comparative criminology, green criminology and human rights. New to this Second Edition is a chapter dedicated to the impact that the war on terror has had on the rule of law and a detailed discussion on the growing topic of cosmopolitan criminology. Complete with extensive references, helpful suggestions for further reading and a detailed glossary, this book will prove essential reading for students and academics in criminology, globalization, sociology and other social sciences. The *Key Approaches to Criminology* series celebrates the removal of traditional barriers between disciplines and specifically reflects criminology's interdisciplinary nature and focus. It brings together some of the leading scholars working at the intersections of criminology and related subjects. Each book in the series helps readers to make intellectual connections between criminology and other discourses and to understand the importance of studying crime and criminal justice within the context of broader debates. The series is intended to have appeal across the entire range of undergraduate and postgraduate studies and beyond, comprising books which offer introductions to the fields as well as advancing ideas and knowledge in their subject areas.

Globalization and Crime Katja Franko Aas, 2013-11-06 This new major work shines a spotlight on key criminological themes in the study of transnationalism and globalization and through a selection of the established literature on the subject along with more contemporary writing, explores how globalization is defined, researched and debated within criminology. In order to do this, the set is broken down into three volumes: Volume One: Concept, History, Method; Volume Two: Transnational Crime, Deviance and Crime Policy; Volume Three: New Directions in Criminology and Criminal Justice. The three volume structure enables comprehensive coverage of the historic development of

the concept its key definitional and methodological issues ample case studies as well as theoretical and normative academic debates Each volume is framed by its own newly written introduction which places the selection of articles in context making this set a truly valuable resource for scholars in the field
