## **Give Me Everything You Have On Being Stalked:**

**Give Me Everything You Have** James Lasdun, 2014-02-04 Chronicles author James Lasdun's strange and harrowing ordeal at the hands of a former student, a self-styled verbal terrorist who began trying in her words to ruin him **How to Stop a Stalker** Mike Proctor, 2009-09-25 Complete with many examples taken from actual cases, this excellent handbook on a serious social problem is of great use to potential stalking victims, law enforcement officials, personnel departments, and employers **Thirty-Two Years of Stalking and Harassment with Supernatural Activities** Mackey McClay, 2025-08-14 I have some very real, blow-your-mind information to share with you. I am talking about twenty-nine years of stalking that is out of this world, cruel, wicked, and evil. The name of my stalker is Clifford Roach Jr. I met this man while I was working at an Upstate New York hospital, and he later came to masquerade as a nurse's assistant. We began seeing one another, and before long he decided he was going to come live with my kids and me. I did not object. I was a lonely single mother who needed companionship. What a colossal mistake that turned out to be. I was born and raised on the beautiful Island of Jamaica. I migrated to this country back in the 70s. After being here for several years, I had gone back, gotten married to my long-time sweet heart, who is the father of my young son. He later entered this country also, but the marriage did not survive for long. I had met a man while his papers were being processed by Immigration Department back home. To start with a clean slate, I had told him about my affair with the other guy. But the marriage was basically finished. He had met an American woman and bought her an engagement ring while we were still married. Then he, his mom, and his new fiancée decided they were going to drive me away so they could all be together. I retaliated in ways I shouldn't have. Somebody doesn't want you, just move on. It's the best way. **Stalking Is Not Love** MARIE JONES, 2014-06-26 Stalking is not love is my account of what my family and I have gone through since I left my ex-husband. It details 3 years of us being stalked, from high-speed chase to emails I refuse to live a life of fear, a life that is non-functional. I will not feel guilty about not loving someone. A person has the right to end a relationship if they are not happy, the right not to be harassed or stalked. Stalking is not love; it is a crime. It also is one of the hardest crimes to be convicted of. I know because I am currently experiencing this very situation. I receive emails, phone calls, and have had the passwords on personal accounts changed because the stalker knows my SSN. The stalker parks his car down the street from my home and sits for hours. When he gets fed up, he rings my doorbell angrily and leaves. These are just a few of the things I go through daily. I know there are others who are going through the same thing that I am currently experiencing. Some who are hurt or have lost their lives. Maybe our stories can come together and form a band of women, men, boys, girls, people, or simply the stalked and the heard. We need help. Stalking is not love. I have a father that has loved me since birth. My father protected me and kept me safe. I have five brothers that love me dearly. I know what it is like to be truly loved by a man. I have a heavenly father that loves me unconditionally and protects me. God is my source and refuge. A person would not hurt what they love. **The Island** Catherine Cooper, 2023-10-12 The gripping new thriller from the Sunday Times
