Given For You Reclaiming Calvins Doctrine Of The Lords Supper:

Given for You Keith A. Mathison, 2002 Is the Lord's Supper a time of communion with our Lord and with his people a high point in our lives What thought do we give to biblical teaching on this sacrament In *Given for You* Keith Mathison seeks to encourage prayerful reflection and discussion about this now neglected sacrament He introduces explains and defends a particular understanding of the Lord's Supper a Reformed understanding The doctrine of the Lord's Supper presented and defended by John Calvin is the biblical doctrine the basic doctrine of the sixteenth century Reformed churches and the doctrine that should be proclaimed in Reformed churches today In a final chapter on practical issues Mathison addresses the frequency of communion the elements to be used and the practice of paedocommunion *The Lord's Supper in the Reformed Tradition* John W. Riggs, 2015-08-24 In the Reformed tradition the Lord's Supper is a sacrament that draws on a rich and deep tradition in its theology and practice In this new volume in the Columbia Series in Reformed Theology John Riggs provides a comprehensive overview of the most important Reformed theologians and confessions on the sacrament of the Lord's Supper Riggs identifies the theology of true mystical union with Christ in the Supper as both a theological legacy the Reformed tradition inherited and a theological achievement that it refined Ideal for studies in Reformed and liturgical theology this is an important resource for investigating the eucharistic theology of the Reformed tradition *Understanding Four Views on the Lord's Supper* Russell Moore, 2007 Four different ways Christians understand the Lord's Supper Baptist view memorialism Reformed spiritual presence Lutheran consubstantiation and Roman Catholic transubstantiation are fairly represented and debated to provide readers with an opportunity to draw their own conclusion on this important Christian institution ***Understanding Four Views on the Lord's Supper*** Zondervan, 2009-05-26 The Lord's Supper has been the central and characteristic action of the church at worship But there are still many ways of understanding it and many questions surrounding this meal Who should participate in the Lord's Supper How frequently should we observe it What does this meal mean What happens when we eat the bread and drink from the cup What do Christians disagree about and what do they hold in common These and other questions are explored in this volume of the fair minded informative Counterpoints series Contributors make a case for one of the following views Baptist view memorialism Reformed view spiritual presence Lutheran view consubstantiation Roman Catholic view transubstantiation All contributors use Scripture to present their views and each responds to the others essays Included are resources for understanding the topic further such as A listing of statements on the Lord's Supper from creeds and confessions Quotations from noted Christians A resource listing of books on the Lord's Supper Discussion questions for each chapter to facilitate small group and classroom use The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion ***Evangelical Calvinism*** Dr. Myk Habets, Bobby Grow, 2017-05-04

Continuing the discussion initiated in volume one volume two of Evangelical Calvinism further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an Evangelical Calvinism the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse theological dimensions The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of Evangelical Calvinism now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike
