W. Moak, 2012-08 In 1976 graduate student Adam Reardon's fiancée Lis and her children vanished Officially they died in a tragic house fire In reality they escaped the fire and worse through an impossible portal to another world The portal closed before Adam could follow he was nearly killed and survived only to have his incredible memories of that night dismissed as shock induced delusion For half his life Adam has suffered from nightmares and depression knowing the truth but gradually coming to accept that nothing can possibly be done

about it Then twenty years after the fire extraordinary alarming things begin to happen Adam now a successful architect discovers proof of Lis survival and realizes he can not turn his back on the slim chance of finding her though it means losing everything he has Armed with a mysterious fragment of ancient high tech and aided by an old friend who also knows what really took place in 1976 Adam decides to try reopening the portal But others have their own sinister plans for it Unbeknownst to Adam events already underway will soon put him at the center of a long deferred battle that may well determine the fate of all Humanity Werner's Voice Magazine ,1895 Courage in a Season of War ,2002 **Homely Talks** Mark Guy Pearse,1880 **One Town, One Team** Bruce Bertrand,2023-01-26 When third year football coach Sherm Blaser walked into his first team meeting for the upcoming season he asked the team what their team goal should be for the upcoming season The first hand that went up was that of senior defensive lineman Benten Hall who suggested a winning season would be an appropriate team goal A winning season might not seem like a lofty goal but it is certainly a practical one The previous year the Kavemen did go 5 4 but finished sixth in conference play and did not make the playoffs Benten s sophomore and freshman years those varsity teams went a combined 7 12 In fact since Benten and his fellow seniors on the team started the first grade eleven years ago the Kuna football teams have a combined record of forty three wins and sixty two losses The football program has not won a conference championship since 1998 and has won just one playoff game this century Blaser was not seen as the savior of this program when he was hired two years before Before coming to Kuna his record was 15 21 at two previous schools In his two previous years on the Kuna campus his record was only 8 10 So how could this team led by this coach make it all the way to the state championship game Fortunately for me my son Ryan who was starting his fourth season as part of Sherm Blaser s coaching staff and was living with me as he was finishing his master s program in psychology so I had a front row seat to this amazing season **The Wesleyan-Methodist Magazine** ,1880 A Report on Pilot Tested Model Instructional Units ,1997 *American Poultry Advocate* ,1911 *Big Game Hunting in Colorado* ,1990 West Virginia Wild Life; Official Monthly Publication of the Wild Life League of West Virginia ,1929 *Federal Aid in Wildlife Restoration Annual Performance Report of Survey-inventory Activities* Alaska.
