Power and Identity in the Global Church: Brian M. Howell, Edwin Zehner, 2009-06-01 Power and Identity in the Global Church Six Contemporary Cases applies contemporary sociological theological and New Testament insights to better

understand how God's people can do and should interact in the field thereby laying the groundwork for better multicultural approaches to mission partnership. The authors, six evangelical anthropologists and theologians, also show that faithfulness in mission requires increased attention to local identities, cultural themes and concerns, including the desire to grow spiritually through direct engagement with God's word. In this context, failure to attend to power imbalances can stunt spiritual and leadership growth. Attending to those imbalances should make Christian churches more truly brothers and sisters in Christ, equal members of the one global body of which Christ alone is the head.

Whole and Reconciled Al Tizon, 2018-10-16 The ministry of reconciliation is the new whole in holistic ministry. It must be if the Christian mission is to remain relevant in our increasingly fractured world. This book offers a fresh treatment of holistic ministry that takes the role of reconciliation seriously, rethinking the meaning of the gospel, the nature of the church and the practice of mission in light of globalization, post-Christendom and postcolonialism. It also includes theological and practical resources for effectively engaging in evangelism, compassion and justice and reconciliation ministries. Includes a foreword by Ruth Padilla DeBorst and an afterword by Ronald J. Sider.

How the Body of Christ Talks C. Christopher Smith, 2019-04-16 In today's highly charged social and political environment, we often don't know how to talk well with others, especially with people whose backgrounds differ from our own. C. Christopher Smith, coauthor of the critically acclaimed and influential *Slow Church*, addresses why conversation has become such a challenge in the 21st century and argues that it is perhaps the most needed spiritual practice of our individualistic age. Smith likens practicing conversation to the working of the human body. Bodies are wondrous symphonies of diverse intricate parts striving for our health, and our health suffers when these parts fail to converse effectively. Likewise, we must learn to converse effectively with those who differ from us in the body of Christ so we can embody Christ together in the world. In community, we learn what it means to belong to others and to a story that is bigger than ourselves. Smith shows how church communities can be training hubs where we learn to talk with and listen to one another with kindness and compassion. The book explores how churches can initiate and sustain conversation, offers advice for working through seasons of conflict, suggests spiritual practices and dispositions that can foster conversation, and features stories from several congregations that are learning to practice conversation.

Rewired Brandon Cox, 2014-02-04 If God's desire to enlarge His family matters. If the church of the future matters. If the gospel still matters. We must embrace the changes that are happening in our world. There is no going back. Our world is changing at an unprecedented rate. We are connected with people all over the planet through technology that didn't even exist ten years ago. The world around us is having a conversation about life, meaning, culture and eternity, and we have an amazing opportunity not just to join the conversation but also to lead it. But too many in the church are struggling to keep up with this cultural shift and failing to use these communication tools to their full advantage. In *Rewired*, Brandon Cox demonstrates the real connecting power in online social networks, showing you how to connect and tell God's story relationally and creatively in our social/digital age. Because

the thing is social media isn't an escape from the real world. It is the real world whether we are ready for it or not. And this shift we are seeing toward a more mobile social environment is actually a return to the form we were created for to be in relationships to have conversations and to share our stories and God's with each other. **New Day** David Young, 2016-05-13

Therefore go and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything I have commanded you. And surely I am with you always to the very end of the age. Matthew 28:19-20 NIV. Jesus' final command must be our first priority. Making disciples is the sole mission of Christ's church. But many of us find it very difficult to remain focused on this mission; there are so many other things competing for our attention. As a result, many American denominations and fellowships are in decline. Some appear to be in a death spiral. Even the churches of Christ are losing members. 200 people leave the churches of Christ every week, and every week in America a church of Christ goes out of business forever. Is the sun setting on Christianity in the West? Not on our watch. This book is a call for us to return to Christ's revolutionary mission for His church. Let's become fully mature followers of Jesus Christ. Let's be transformed by His Word through repentance, discipline, and obedience. Let's become fishers of people going out into the whole world with a message that we truly believe is good news. The times ahead may be difficult, but this will be our finest hour. In fact, maybe the sun isn't setting after all. With a restored perspective, we may see it's actually rising. It's a new day, and the Light of the World will soon make all things new. **The Shaping of Things to Come** Michael Frost, Alan Hirsch, 2013-03-01. In a time when the need for and the relevance of the Gospel has seldom been greater, the relevance of the church has seldom been less. *The Shaping of Things to Come* explores why the church needs to rebuild itself from the bottom up. Frost and Hirsch present a clear understanding of how the church can change to face the unique challenges of the twenty-first century. This missional classic has been thoroughly revised and updated. **Joining God, Remaking Church, Changing the World** Alan J. Roxburgh, 2015-07-01. Exhausted with trying to fix the church, it's time to turn in a new direction back to the Holy Spirit. In this insightful book, internationally renowned scholar and leader Alan Roxburgh urges Christians to follow the Spirit into our neighborhoods, re-engage with the mission of God, and re-imagine the whole enterprise of church. *Joining God, Remaking Church, and Changing the World* can guide any church, large or small, suburban or urban, denomination level or local parish to become a vital center for spirituality and mission. **The Neighboring Church** Brian Mavis, Rick Rusaw, 2016-08-02. New Leadership network title to be filled in at a later date by editor.
