Globalisation And Development Of Backward Areas:

Globalisation and Development of Backward Areas G. Satyanarayana, 2007 Contributed articles on various aspects of sustainable development and globalization in India originating from the Department of Economics and Applied Economics Sri Krishnadevaraya University

Poverty and Development Planning in India K.L. Datta, 2014-01-01 This book covers a wide range of issues related to poverty and inequality in the context of development planning in India It presents an account of the planning and development strategy at the backdrop of the measures to effect poverty reduction It describes India's planning process and analyses the mathematical models of growth and investment which are at the back of Plan formulation and provides an account of the measures of poverty reduction The centrality of this analysis is the transition from growth measures pursued until the 1970s to a mix of growth and redistribution since the 1980s and then to inclusive growth This book covers four core areas First the treatise on mathematical models to chart out a growth path the manner and method of using poverty as a parameter in the consistency type growth models and the analytical details of the changes in the planning strategy during the period of economic reforms contained here give seminal insights into the role of planning in poverty reduction Second it comments on the methodology of the measurement of poverty comprehensively summarising the debates surrounding it Third the identification of poor and accrual to their income through direct attack on poverty has been chronicled with a critique's eye Here a clinical examination of the specific strategies and their outcomes with a quantitative analysis of the general growth process and the income redistributive anti poverty programmes is also done Fourth it undertakes a disaggregated quantification of poverty at the regional level in rural and urban areas and by social and occupation groups These reflect the stratified nature of Indian society and are integral to the formulation of meaningful plan for poverty reduction The issues addressed here are essential to understand poverty and inequality in India's rapidly growing economy Many of them are contentious and have been dealt with academic rigour so as to enable a fair assessment

Globalization and Development Volume I Shigeru Thomas Otsubo, 2015-08-27 Globalization and Development is a cross national study on the interstate dispersion of the impacts on growth inequality and poverty that international economic integration provides to the economies of the developing countries In order to present the Leading Issues in Development with Globalization in a balanced manner to identify differences and commonalities among Country Experiences in development with globalization and to introduce diversified development paradigms with forward looking discussions In Search of a New Development Paradigm for the post MDGs era this publication consists of three volumes and four main parts Volume I Part I introduces the evolution and facets of globalization and the challenges that we face in our development efforts under globalization Findings from the old and new empirical studies are consolidated for us to answer the following question What do we really know about the impacts of globalization Volume I Part II contains thematic and issue oriented discussions on the key facets of globalization This book intends to serve as a unique and comprehensive guide for those in the international

development community on the subjects of diversified development paradigms paths under globalization and other challenges in the post MDGs era

Rural Transition and Transport in China Pengjun Zhao, Haoyu Hu, 2022-12-05 This book examines the rural transition and transportation in China It covers demographic change settlement transformation and infrastructure development in rural areas as well as changes in transportation expenditures travel behavior and accessibility of basic public services among rural Chinese residents The book contributes to the new body of knowledge from an international perspective in three ways First it explores the changes in travel behavior of rural residents and related factors Second it provides new evidence on the relationship between rural social transformation and transportation infrastructure development Third it discusses the impact of transportation investments on rural poverty reduction The book enhances our understanding of the changes in travel behavior of rural residents In particular the results of the multi source big data analysis will provide new evidence on the link between social transformation and changes in travel behavior in rural China It also helps planners and politicians to develop policies aimed at improving quality of life rural poverty and the efficiency of transportation investments in rural areas The book is of great interest to scholars interested in rural transformation and development sustainable transport regional planning and environmental policy and is relevant to China and other developing countries

Rural Development in the Digital Age Martin Pěluča, Edward Kasabov, 2019-10-24 Rural Development in the Digital Age explores current theoretical and policy developments in EU rural policy during the 4 0 period The book offers an analysis of the contradictory and complex drivers and multiple impacts of Period 4 0 policy within the specific territorial context of its implementation It is commonly agreed within academic and policy circles that the contexts trends drivers and impacts which are currently morphing have the potential to determine the nature and boundaries of rural areas in the longer term The authors examine inconsistencies in the design and implementation of EU rural development policy driven largely by intensifying neo productivist pressures The importance and novelty of the book lie in defining and critically examining the territorial impacts of neo productivism as an ideology a practice and a set of policy imperatives during the EU s 2014 2020 programming period The authors argue that such a paradigm shift in EU rural policy may reduce its effectiveness and ability to meet its goals of balanced territorial development and cohesion This book will be of interest to advanced students researchers and policymakers in rural policy regional studies economic geography and EU policy

Globalization, Its Impact on Rural Development R. K. Panchal, 2006 In Indian context

Development Centre Studies A New Rural Development Paradigm for the 21st Century A Toolkit for Developing Countries OECD, 2016-04-01 Three billion people live in rural areas in developing countries Conditions for them are worse than for their urban counterparts when measured by almost any development indicator from extreme poverty to child mortality and access to electricity and sanitation

Rural Development in the Era of Globalization Banoth Suresh Lal, Thota Satyanarayana, Pingali Narasimha Rao, 2008 Ever Since Rural Development Emerged As An Independent Field Of Inquiry In The 1950 S It Has Been

Subjected To Many Changes In Emphasis And Ideology These Changing Perspectives Have Resulted In Shifts In Policies And Programmes Influencing The Global Discourse On Rural Development The New Economic Policy 1991 Initiated In Its Wake Has Spurred Rethinking On The Most Appropriate Approach To Rural Development Conceived Against This Back Ground This Volume Examines The Impact Of The Changing Scenario Of Rural Development On Rural Poverty Health Education Agriculture Rural Infrastructure Information Technology Gender Discrimination And Good Governance In Local Governance Etc The Volume S Major Concern Is Are The Goals Of Rural Development Achievable In A Globalized World In Addition This Volume Besides Providing A Unique And Analytical Perspective It Will Be Useful To Sociologists Economists Social Scientists Social Activist And Bureaucrats In Understanding And Handling Governance It Also Identifies The Commonalities And Differences In Prevailing Approaches To Rural Development It Will Be Of Considerable Interest To Students And Research Scholars Of Development Studies And Professional In The Field

Rural Transformation in the Globalisation Context

Allan Syril Mlulla,2007 *Women, Globalisation, and Development* Anil Bhuimali,Bipul Malakar,2008 The Role of the Entrepreneurs in Rural Development - New Zealand -Tourism Achim Munz,2002-09-10 Essay from the year 2002 in the subject Tourism Miscellaneous grade A University of Otago Department of Tourism course Entrepreneurship in Tourism language English abstract Many rural areas around the world face economic challenges partly due to their peripheral locations and also because of their declining economies With the rise of globalisation and urbanisation many people who lived in rural areas before have decided to move to urban centres either for the better infrastructure that cities have or in search of the employment opportunities that industries in cities offer Furthermore this means that many rural regions and towns are facing dislocation and decline Stolte 2000 111 One response to the decline of traditional rural industries such as agriculture and mining has been the emergence of tourism orientated entrepreneurial activities Stolte 2000 111 Indeed many people indigenous to rural areas see tourism as a chance for them to stay and live in their region or town without reducing their standard of living The motives of the entrepreneurs in rural areas are various meaning that not all of them become entrepreneurs because they are concerned about unemployment Moreover many entrepreneurs see rural tourism as an opportunity to live a certain lifestyle and many even move from urban areas to rural areas seeking the opportunity to develop ideas and fulfil their dreams

Disability in the Global South

Shaun Grech,Karen Soldatic,2016-11-08 This first of its kind volume spans the breadth of disability research and practice specifically focusing on the global South Established and emerging scholars alongside advocates adopt a critical and interdisciplinary stance to probe challenge and shift common held social understandings of disability in established discourses epistemologies and practices including those in prominent areas such as global health disability studies and international development Motivated by decolonizing approaches contributors carefully weave the lived and embodied experiences of disabled people families and communities through contextual cultural spatial racial economic identity and geopolitical complexities and heterogeneities Dispatches from Ghana

Lebanon Sri Lanka Cambodia Venezuela among many others spotlight the complex uncertainties of modern geopolitics of coloniality emergent forms of governance including neoliberal globalization war and conflicts the interstices of gender race ethnicity space and religion structural barriers to redistribution and realization of rights and processes of disability representation This handbook examines in rigorous depth established practices and discourses in disability including those on development rights policies and practices opening a space for critical debate on hegemonic and often unquestioned terrains Highlights of the coverage include Critical issues in conceptualizing disability across cultures time and space The challenges of disability models metrics and statistics Disability poverty and livelihoods in urban and rural contexts Disability interstices with migration race ethnicity gender and sexuality Disability religion and customary societies and practice The UNCRPD disability rights orientations and instrumentalities Redistributive systems including budgeting cash transfer systems and programming Global South North partnerships intercultural methodologies in disability research This much awaited handbook provides students academics practitioners and policymakers with an authoritative framework for critical thinking and debate about disability while pushing theoretical and practical frontiers in unprecedented ways

The Role of International Institutions in Globalisation John-ren Chen, 2003 In an increasingly globalised world it is becoming ever more difficult for nation states to adapt to the international consequences of market failures government failures and global externalities without co operation and co ordination with other countries In the absence of any form of world government the most effective solution to this problem is either to create new international institutions reform existing ones or work within the prevailing institutional framework This book presents a critical analysis of the role of international institutions and their performance in terms of justification effectiveness and efficiency The authors begin by discussing the controversies surrounding the Tobin Tax in the context of global governance They move on to address important global issues where international institutions play a significant role These include trade and FDI in relation to the WTO and the reconciliation of order and justice in the international trading system Further chapters investigate development issues and international institutions most of which were not designed for the specific needs of developing countries They assess whether international institutions can actually help to mitigate the tendency of uneven development in the global economy Finally the focus switches to the analysis and evaluation of one specific institution and its actions namely the Bank for International Settlements BIS This important theoretical and empirical analysis of the problems relating to the creation evolution and role of international institutions will be of interest and value to academics and researchers of international trade international economics international relations and economic development

Globalisation and Development Dilemma M. C. Behera, 2004-01-01 The North Eastern Region Of India Is Economically Backward In Comparison To Other States Papers In The Volume Deal With The Problem From Different Angles The Book Has 6 Sections And More Than 25 Contributions And A Large Number Of Tables And Figures
