THE GEORGE COMPANY

10

All service parts should be obtained from a retailer through your Volvo Dealer Store. For complete information when ordering service parts, the model number and serial number should always be given. Numbers for the 90, 9000 appear on a plate near the rear of the machine, on the front of the left rear overhead guard structure.

Right and *Left* are determined from a position sitting on the mat and looking forward. From this position, the Thoracic Vertebra is on the Right.

Client Company reserves the right to make changes or improvements to the design or construction of any part without increasing the schedule or cost and without any notice previously informed.
