Van Pelt, 2021-12-07 Biblical Greek Vocabulary in Context by Miles V Van Pelt is designed to reinforce a

student's basic Greek vocabulary by presenting words that occur twenty five times or more in the context of the Greek New Testament Miles Van Pelt collates all 513 of these Greek words into approximately 200 key biblical verses and or verse fragments to help students practice reading them in their literary context and thus improve their Greek vocabulary retention Rather than rote memorization Van Pelt's approach teaches word meaning through each word's naturally occurring context the way people naturally learn languages The book includes two primary sections The first section provides room for students to write their own glosses of the biblical verse and to parse as they feel necessary An English translation is also provided and any term that appears less than twenty five times is glossed Proper names are identified with gray text The second section of the book provides the same biblical verses from the first section but with minimal room to write glosses and parse and without an English translation for aid The end of the book includes a Greek English lexicon of all the words occurring twenty five times or more in the Greek New Testament English Grammar to Ace New Testament Greek Samuel Lamerson, 2016-11-22 If you think that Aorist is a major artery of the heart Clause is the surname of the fat guy in the red suit Syntax is Uncle Sam's slice of alcohol and tobacco sales then you need English Grammar to Ace New Testament Greek It's designed to help you get a guick brush up on the English grammar you ve either forgotten or never guite learned in a way that ties directly to your first year Greek studies With chapters such as You Ain t Nothing but a Noun Dog and Inflection Trouble Understanding Yoda You Have Yes this colorful entertaining book compares elements of English grammar with similar elements in Greek grammar It can either be used as a one week intensive study to prepare for Greek grammar or be readily incorporated into actual Greek studies English Grammar to Ace New Testament Greek features A brief summary of the scope of English grammar Short easy to read chapters An introductory devotion in every chapter Lessons coordinated with Mounce's Basics of Biblical Greek Tips for vocabulary memorization and sentence diagramming Glossary and Thriving in Seminary H.
