- 1- Explain two elements of the plot (exposition, rising action, climax, conclusion) in an episode of a television show or movie you've seen. Then evaluate how effectively these two plot elements created specific emotions in you, the viewer. Be sure to introduce your ideas, use precise language, use specific examples from the movie or television episode, and end the response with a concluding statement. (15 points)

In Avengers: Infinity War, the whole movie is a rising action, in a way. You start with the quick but meaningful defeat of the strongest of the Avengers, the incredible Hulk. He fights Thanos, who defeats the Hulk with no help by using only his bare hands. From there to the rest of the movie, the stakes are being presented and the villains start making their more assiduous advances to achieve what they want.

The rising action really builds up the stakes since Thanos becomes even more powerful and more unstoppable with every isolated victory.

2. Hulk and Bruce Banner are the last two living beings alive on planet Earth, Hulk who is unable to die due to his radioactive properties, won't let Bruce die because if Bruce dies then so does the Hulk. The internal conflict is that Bruce wants to die because of loneliness and torture from the Hulk but, the Hulk won't let Bruce die because he needs him in order to live.
