My name is Meir Liraz and I'm the author of this book. According to Dun Bradstreet, 90% of all business failures analyzed can be traced to poor management. This is backed up by my own experience. In my 31 years as a business coach and consultant to managers, I've seen practically dozens of managers fail and lose their job not because they weren't talented or smart enough, but because they were trying to re-invent the wheel rather than rely on proven, tested methods that work.
