Doing It For Ourselves Success Stories Of African American:

The Columbia Guide to African American History Since 1939 Robert L. Harris, Rosalyn Terborg-Penn, 2006 A multifaceted approach to understanding the central developments in African American history since 1939 It combines a historical overview of key personalities and movements with essays on specific facets of the African American experience a chronology of events and a guide to further study From publisher description *The African American Experience* Arvarh E. Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed

Encyclopedia of African American Business History Juliet E. K. Walker, 1999-11-30 Black business activity has been sustained in America for almost four centuries From the marketing and trading activities of African slaves in Colonial America to the rise of 20th century black corporate America African American participation in self employed economic activities has been a persistent theme in the black experience Yet unlike other topics in African American history the study of black business has been limited General reference sources on the black experience with their emphasis on social cultural and political life provide little information on topics related to the history of black business This invaluable encyclopedia is the only reference source providing information on the broad range of topics that illuminate black business history Providing readily accessible information on the black business experience the encyclopedia provides an overview of black business activities and underscores the existence of a historic tradition of black American business participation Entries range from biographies of black business people to overview surveys of business activities from the 1600s to the 1990s including slave and free black business activities and the Black Wallstreet to coverage of black women's business activities and discussions of such African American specific industries as catering funeral enterprises insurance and hair care and cosmetic products Also there are entries on blacks in the automotive parts industry black investment banks black companies listed on the stock market blacks and corporate America civil rights and black business and black athletes and business activities
