Lewis, 2021-08-30 Make social emotional learning fun and engaging with 24 ready-to-use lessons about phenomenal plants and astonishing animals. Storytelling is a learning device used by humans for centuries and for good reason: storytelling is one of the best ways to increase critical thinking skills and social emotional learning (SEL). The award-winning *Social Emotional Stories* combines storytelling with thought-provoking lessons and activities to help elementary students improve their self-esteem, increase their engagement with school, and give them a sense of empowerment. The book contains 24 individual lessons that include an SEL objective with specific keywords like inner strength, problem solving, and responsibility. An engaging story that focuses on a distinctive quality of either a plant like the inner strength of bamboo or an animal like the courage of a pig. Multiple activities that are quick, easy, and require few supplies to help kids identify and dive deeper into the specific SEL concepts represented. Educators can use these lessons individually with students in small groups or with an entire class. The lessons are interdisciplinary and flexible with only minimal prep time required, allowing educators to adapt them for their situation. Extensive digital content supports the lessons with reproducible forms and a full-color photo of each plant and animal. *Books on Wheels* Janice McArthur, Barbara McGuire, 1998-08-15 Get books moving off the library shelves and into the hands of children with this integrated package for thematic instruction. Sixteen chapters based on such lively themes as Risky Reading, adventure stories, Horrendous Fun, monster stories, and Book Line and Sinkers. Ocean world contains introductions to the themes, introductory activities, booktalks, annotated bibliographies, and reproducible activity pages that extend learning across the curriculum. Activities are coded by grade level. A valuable tool for cooperative planning between librarians and teachers, this book helps librarians choose, present, and promote book titles appropriate to specific themes. It also helps teachers plan corresponding activities. Grades K-3. **Andrew Lost #7: On the Reef** J. C.
