Block,2022-03-17 Following a lifetime rooted in family schools culture and psychotherapy provoked by the query of a daughter concerning the presence of anxiety in my life this memoir pursues the presence of anxiety in life and seeks in some context for the concerns with which the author has lived for three quarters of a century In the reflections from these situations and influences he works his way back to stories of personal origin and growth He has sauntered through persistent issues with which he has been engaged throughout his life and he has made a few pronouncements some of which might even ring true Within these pages a little wisdom may even be found And hopefully with some love and concern he has responded to the challenging question Do you have anxiety *The Secret of Heroism: A Memoir of Henry Albert Harper* William Lyon Mackenzie King,2019-11-22 In The Secret of Heroism A Memoir of Henry Albert Harper William Lyon Mackenzie King masterfully intertwines biographical narrative with profound reflections on heroism morality and the complexities of human existence
