ordinary man who is transported against his will to a land incalculably distant where magic has shaped its growth and development and where science has no place He is forced by a ruthless being of unimaginable might to undertake an impossible task one in which he will surely fail The stakes couldn't be higher if he does fail then all that he holds dear will be destroyed Should he succeed he is certain that his family will not be spared He cannot hope to take on and defeat his adversary but if he cannot find a way then all is lost His journey through this strange world is also a journey of self discovery as he battles against despair and helplessness in his desperate attempt to find a way to save his family

Escaping

Exodus: Symbiosis Nicky Drayden, 2021-02-23 The Compton Crook Award winning author weaves her trademark blend of science fiction and dark humor in this dazzling story that continues the imaginative saga begun in *Escaping Exodus* in which a society lives in the belly of a beast and an entire civilization's survival depends on a pair of uneasy allies who must come together for one epic battle Nearly a thousand years removed from Earth the remnants of humanity cling to existence inside giant space faring creatures known as the Zenzee Abused and exploited by humans for generations these majestic animals nearly went extinct but under the command of its newly minted ruler Doka Kaleigh life in the Parados I has flourished Thanks to careful oversight and sacrifice by all of its crew they are now on the brink of utopia and yet Doka's rivals feel threatened by that success The Senate allowed Doka to lead their people believing he'd fail spectacularly a disaster that would cement the legitimacy of their long standing matriarchy Despite vocal opposition and blatant attacks on his authority Doka has continued to handle his position with grace and intelligence he knows a single misstep means disaster When a cataclysmic event on another Zenzee world forces Doka and his people to accept thousands of refugees a culture clash erupts revealing secrets from the past that could endanger their future For Doka the stakes are bigger and more personal than ever before and could cost him his reign and his heart He has fallen for the one woman he is forbidden to love his wife Seske Doka and Seske must work closely together to sway the other Zenzee worlds to stop their cycles of destruction But when they stumble upon a discovery that can transform their world they know they must prepare to fight a battle where there can be no winners only survivors

The papers in this volume present a comprehensive view of the administrative and operational structure of the PLA. In exhaustive detail they discuss the leadership history, organization, functions, and possible future direction of each of the PLA's Commissions and Military Departments.
