Elizabeth Of The Trinity Her Life And Spirituality:

Elizabeth of the Trinity Her Life and Spirituality Marian T. Murphy Ocd, 2011 A VIBRANT PROPHET OF THE PRESENCE OF GOD is how Pope John Paul II described Elizabeth of the Trinity In this compelling book we enter deeply into her life and spirituality and see just how relevant Elizabeth s message is for those of us living in today s highly secularised society Attractive lively ardent talented yet with her share of faults Elizabeth shows that when we give ourselves to God he builds on our nature and transforms us gradually into himself She challenges us to follow her example and respond to God s universal call to holiness while reawakening us to the immense depth and beauty of the normal channels of God s grace prayer and the sacraments The author shows how Elizabeth offers a compelling witness of holiness to the Church of today for Her life is what God wills every life to be Cardinal Albert de Courtray former Bishop of Dijon expressed it succinctly It is easy to see how Elizabeth s message is addressed to all Christians She never for one moment entertained the idea that her calling as a Carmelite conferred some sort of spiritual superiority on her For Christian spiritual life is founded upon faith baptism and becoming ever more like Jesus Christ so that whatever the Christian may be whatever his or her moral psychological or social condition he or she is always that new humanity in which Christ will come again to renew all his mystery This is a truly remarkable book It is written in a clear simple and engaging style by an author who shares with us her deep love of Elizabeth of the Trinity and her profound grasp of Elizabeth s spirituality centred on the indwelling presence of God in every baptised person The book offers us deep insights into the development of Elizabeth s inner life and the major themes in her writings as seen through the eyes of someone who speaks from first hand experience and with authority about the life of a Carmelite nun James McCaffrey O C D Editor of Mount Carmel magazine Sr Marian Teresa Murphy a Carmelite of St Joseph s Monastery Liverpool England completed her MA dissertation on Elizabeth of the Trinity with distinction She is the author of Always Believe in Love Selected Spiritual Writings of Elizabeth of the Trinity An engaging speaker she has made several CDs on various aspects of Elizabeth s life and spirituality which form the basis of this inspiring book

M. Philipon,M M Philipon Op,2013-10 The servant of God Elizabeth of the Trinity was one of those enlightened and heroic souls able to cling to one of these great truths which are both the simplest and the most important and beneath the appearance of an ordinary life to find therein the secret of a very close union with God This mystery of the indwelling of the Blessed Trinity in the depths of her soul was the great reality of her interior life As she herself said The Trinity there is our dwelling our home the father s house that we must never leave It seems to me that I have found my heaven on earth for heaven is God and God is in my soul On the day I understood that everything became clear to me Obviously the foundation of this supernatural life is the practice of the theological virtues Faith is the supernatural light through which we receive the revelation of this divine world Our hope upheld by the omnipotence of God Whose hand is ever stretched out to help us enables us to tend surely toward eternal happiness Charity establishes us permanently in the friendship and fellowship of the

Divine Persons according to the teaching of St John the Evangelist God is charity and he that abideth in charity abideth in God and God in him 1 John IV 16 In essence there is but the one supernatural life it begins on earth with our Baptism and it will reach its full development in heaven with the vision of God face to face Faith is the root of all this new activity It is the substance the principle the germ of things hoped for things which we shall one day behold unveiled The least light of faith is thus infinitely superior to the natural intuitions of the greatest genius and the highest angel It belongs to the same essentially supernatural order as the beatific vision Living faith enlightened by the gifts of understanding and wisdom is accordingly the only light proportionate to this life of intimate communion with the Divine Persons Hence above all else Sister Elizabeth of the Trinity stands before us as a soul of faith living in ever more perfect communion with the invisible world while under the hand of God sense and spirit were being purified through the events of her daily life Like a true daughter of St John of the Cross she was aware of the primary importance of faith in the supernatural life In order to draw near to God she wrote we must believe Faith is the substance of things hoped for and the evidence of things that appear not St John of the Cross says that it serves us as feet to go to God that it is possess Him in an obscure manner It alone can give us real light upon Him Whom we love our soul should choose it as the means of reaching the blessed union Without neglecting the practice of the moral virtues she was seen to apply herself more and more to the interior activity of the theological virtues My only practice is to enter into myself and lose myself in Those Who are there *Elizabeth of the Trinity* Thomas Larkin, 1984 **Spiritual Writings, Letters, Retreats, and Unpublished Notes** Elizabeth Of The Trinity, 2011-06
