Emblaze Jessica Shirvington,2012-08-28 Once again violet eden faces an impossible choice and the consequences are unimaginable With the power he held over me with our lives connected so inexorably he knew no one would risk hurting him if it could be avoided No one but me that is Violet Eden has come to terms with the fact that being part angel part human means her life will never be as it was Now Violet has something Phoenix the exiled angel who betrayed her will do anything for and she has no intention of letting it fall into his hands The only problem he has something she needs too With the help of surprising new allies ancient prophecies are deciphered a destination set and after a shattering confrontation with her father Violet leaves for the islands of Greece without knowing if she will have a home to return to While a brutal battle looms Lincoln and Violet fight to ignore their soul crushing need to be together But as the craving reaches new heights Violet begins to fear how long it will be until the pull becomes unbearable Not afraid to raise the stakes Phoenix seemingly holds all the power always one step ahead And when he puts the final pieces of the potent prophecy together it doesn't take him long to realise exactly who he needs in order to open the gates of Hell The Violet Eden Chapters Book One Embrace Book Two Entice Book Three Emblaze Book Four Endless Book Five Empower

Emblaze Jessica Shirvington,2013-09-03 NO GOOD CHOICES When you're hanging off the edge of a volcano how do you make the most important decision of your life For Violet Eden the decisions between right and wrong are getting harder and harder Because apparently being a half angel Grigori doesn't always make you right Where is the good in having to choose between the life of her best friend and saving humanity How does she balance a soul crushing need for her Grigori partner Lincoln and the desire to keep him safe at all costs And what if the darkest exiled angel of all Phoenix isn't as bad as she thought Both sides Angels vs Exiles are racing to decipher an ancient scripture that would allow anyone banished to the Underworld to return And at the very center Violet She only has one chance to make the right choice
