Eliot Ness Douglas Perry,2014-02-20 The story of Eliot Ness the legendary lawman who led the Untouchables took on Al Capone and saved a city's soul As leader of an unprecedented crime busting squad twenty eight year old Eliot Ness won fame for taking on notorious mobster Al Capone But the Untouchables daring raids were only the beginning of Ness's unlikely story This new biography grapples with the charismatic lawman's complicated largely forgotten legacy Perry chronicles Ness's days in Chicago as well as his spectacular second act in Cleveland where he achieved his greatest success purging the profoundly corrupt city and forging new practices that changed police work across the country He also faced one of his greatest challenges a mysterious serial killer known as the Torso Murderer Capturing the first complete portrait of the real Eliot Ness Perry brings to life an unorthodox man who believed in the integrity of law and the power of American justice

Did They Rest in Peace? Joseph William Lewis Jr. M.D.,2018-10-18 Ashes to ashes dust to dust By what miracle can an assortment of seemingly unrelated particles come together and correctly assemble to form a human being Amazingly once aggregated these atoms molecules and compounds manage to interact reasonably coherently during our lives but seek to return to their dusty state when death occurs Of the billions of our species who have existed on earth over the millennia most have quietly and inexorably returned to ashes and dust when their term of life expired This book tracks some of the misadventures of selected corpses including burials that went awry to body snatching exhumations human relic collection and assorted desecrations Over the years it seems that a remarkable number of bodies have failed to enjoy the admonition to Rest in Peace Whether these aberrations in the burial process have disturbed the afterlife of the departed everyone is dying to discover the answer

Jazz Age Chicago Joseph Gustaitis,2022-01-17 When people imagine 1920s Chicago they usually and justifiably think of Al Capone speakeasies gang wars flappers and flivvers Yet this narrative overlooks the crucial role the Windy City played in the modernization of America The city's incredible ethnic variety and massive building boom gave it unparalleled creative space as design trends from Art Deco skyscrapers to streamlined household appliances reflected Chicago's unmistakable style The emergence of mass media in the 1920s helped make professional sports a national obsession even as Chicago radio stations were inventing the sitcom and the soap opera Join Joseph Gustaitis as he chases the beat of America's Jazz Age back to its jazz capital

Guncrazy America Frank N. Egerton,2018-10-06 The conclusion of this professor historian emeritus is that our gun culture had its uses in establishing American civilization as slavery did But we came to recognize after a bloody civil war that slavery was a gigantic mistake and now I think it's time to realize that our gun culture was a similarly gigantic mistake though of a different kind And we need to do what we can to minimize its horrible impacts and move on to a more positive development of a humane civilization

**Crime Statistics in the News** Jairo Lugo-Ocando,2017-10-06 This book offers a comparative exploration of how journalists across different newsrooms around the world access and interpret statistics when producing stories related to crime Looking at the nature of news sources

regularly used by journalists Lugo Ocando analyses how these numbers are used to report crime As the author argues far from being straightforward the relationship between numbers and journalists in the context of crime reporting is complex and at times problematic Because the reporting of crime statistics impacts upon policymaking we need to better understand how these statistics are used and reported in order to improve the process of decision Finally Lugo Ocando maintains that the only way to create a fairer justice system and a better informed general public is by improving the way crime is covered in the news A compelling and informed text this book will be of interest to scholars and students of criminology and journalism alike Journal of Illinois History ,2014 *The Trials of Nina McCall* Scott W. Stern,2018-05-15 The nearly forgotten story of the fight against the American Plan a government program designed to regulate women s bodies and sexuality A consistently surprising page turner a brilliant study of the way social anxieties have historically congealed in state control over women s bodies and behavior New York Times Book Review Nina McCall was one of many women unfairly imprisoned by the United States government throughout the twentieth century Tens probably hundreds of thousands of women and girls were locked up usually without due process simply because officials suspected these women were prostitutes carrying STIs or just promiscuous This discriminatory program dubbed the American Plan lasted from the 1910s into the 1950s implicating a number of luminaries including Eleanor Roosevelt John D Rockefeller Jr Earl Warren and even Eliot Ness while laying the foundation for the modern system of women s prisons In some places vestiges of the Plan lingered into the 1960s and 1970s and the laws that undergirded it remain on the books to this day Nina McCall s story provides crucial insight into the lives of countless other women incarcerated under the American Plan Stern demonstrates the pain and shame felt by these women and details the multitude of mortifications they endured both during and after their internment Yet thousands of incarcerated women rioted fought back against their oppressors or burned their detention facilities to the ground they jumped out of windows or leapt from moving trains or scaled barbed wire fences in order to escape And as Nina McCall did they sued their captors In an age of renewed activism surrounding harassment health care prisons women s rights and the power of the state this virtually lost chapter of our history is vital reading Talking Book Topics ,2015-07 Crime & Justice International ,1998 **The Nation** ,1913 *The Publishers Weekly* ,1907 *Outlook* Alfred Emanuel Smith,Francis Walton,1873 *Current* ,1884 **List of Books for High School Libraries Including Handbook of School Library Practice** Ohio State Library,Ohio.
