Now the Chips Are Down Alison Gazzard,2024-05-21 The story of a pioneering microcomputer its beginnings as part of a national Computer Literacy Project its innovative hardware and its creative uses In 1982 the British Broadcasting Corporation launched its Computer Literacy Project intended to introduce interested adults to the world of computers and computing The BBC accompanied this initiative with television programs courses books and software an early experiment in multi platform education The BBC along with Acorn Computers also introduced the BBC Microcomputer which would be at the forefront of the campaign The BBC Micro was designed to meet the needs of users in homes and schools to demystify computing and to counter the general pessimism among the media in Britain about technology In this book Alison

Gazzard looks at the BBC Micro examining the early capabilities of multi platform content generation and consumption and the multiple literacies this approach enabled not only in programming and software creation but also in accessing information across a range of media and in do it yourself computing She links many of these early developments to current new media practices Gazzard looks at games developed for the BBC Micro including Granny s Garden an educational game for primary schools and Elite the seminal space trading game She considers the shift in focus from hardware to peripherals describing the Teletext Adapter as an early model for software distribution and the Domesday Project which combined texts video and still photographs as a hypermedia like experience Gazzard s account shows the BBC Micro not only as a vehicle for various literacies but also as a user oriented machine that pushed the boundaries of what could be achieved in order to produce something completely new

At the Roots of Christian Bioethics Ana Smith Iltis, Mark J. Cherry, 2014-05-14 At the Roots of Christian Bioethics explores Professor H Tristram Engelhardt Jr s pursuit for the decisive ground of the meaning of human existence and knowledge of appropriate moral choice Engelhardt has been the most influential cogent but critical voice within bioethics of the past several decades The essays in this volume compass epistemological methodological and topical contributions to bioethics political theory and Christian theology Each explores Engelhardt s diagnosis of the contemporary social and cultural crisis seeking to make sense of the decidedly post Christian and often openly anti Christian ethics that dominates public morality and politic policy Each author investigates Engelhardt s personal and tireless enquiry to secure ultimate moral foundations as well as to recognize the full implications of the results of his investigations that Christian bioethics does not originate in human reason but in the command of God
