The Queen: History in an Hour Sinead Fitzgibbon,2012-03-29 Love history Know your stuff with History in an Hour

The Queen Catherine Ryan,2018-01-16 Her Royal Highness Queen Elizabeth II has reigned for 64 years longer than any British monarch in history During that time the Queen has endured the ups and downs that long life will bring She was a beacon of hope during and after the Second World War in difficult times when the world faced a precarious future and she has served as a role model for generations of men and women who continue to be in awe of her commitment to service sacrifice and the Commonwealth of nations over which she rules The abdication of her uncle Edward VIII in 1936 turned her family s world upside down When her father was crowned King George VI Elizabeth was thrust into the eye of the storm as a future queen A shy and reserved child she grew into a wise and insightful monarch who has dealt ably with nine British Prime Ministers during her long reign from Winston Churchill to Theresa May It was of course not always straightforward and the Queen has found herself in hot water several times most notably during the marriage of Prince Charles and Diana Princess of Wales When Diana was tragically killed in a car crash the standing of the Royal Family was probably at its lowest ebb It is unlikely that we will ever see a monarch reign so long or so effectively again holding together a disparate group of nations each with its own aspirations customs and traditions Catherine Ryan has written an intriguing biography of one of the most famous women of modern times who at 91 years old still seems fit and healthy and looks very unlikely to hand over the reins to her successors any time soon Shadows Over Windsor: Unveiling the Scandals, Secrets and Dark Facts of the House of Windsor Marc Jr Caron,2023-10-13 In the annals of British history the House of Windsor has always been synonymous with elegance tradition and prestige From the reign of George V the monarch responsible for creating the House of Windsor to the present day this royal dynasty has dazzled the world with its opulence and regal grandeur However behind

the glittering facade of palaces and tiaras the House of Windsor harbors a tapestry of scandals secrets and dark facts that have remained hidden from public view for decades This book seeks to unravel the hidden history of the British monarchy exposing the intrigue betrayal and controversy that have often shaped the lives of its members *Monarch* Robert Lacey,2008-06-24 An exemplary book Martin Amis *The New Yorker* In *Monarch* Robert Lacey makes you feel like you re right there in the palace in the castle I was absolutely riveted Dominick Dunne Elizabeth Alexandra Mary Windsor who became Elizabeth II Queen of England on February 6 1952 has been loved and loathed revered and feared applauded and criticized by her people Still she remained a captivating figure in the British monarchy for over seventy years In *Monarch* a meticulously detailed portrait of Elizabeth II as both a human being and an institution bestselling author Robert Lacey brings the queen to life as never before as baby Lilibet learning to wave to a crowd in the Royal Mews as a child ardently praying for a brother so as to avoid her fate as a young woman falling in love with and marrying her cousin Philip and as the mother in law of the most complicated royal of all Princess Diana Featuring dozens of photographs a family tree of the Hanoverian Windsor Mountbatten families and a map that charts the location of royal castles *Monarch* is an engaging critical and celebratory account of Elizabeth s reign that no reader of popular history should be without **A Brief History of the Private Life of Elizabeth II** Michael Paterson,2012-01-19 Elizabeth II is the longest reigning British monarch A personally quiet modest and dutiful person she is far better informed about the lives of her subjects than they often realize She has known every Prime Minister since Winston Churchill and every American President since Eisenhower Yet what of the woman behind the crown This book seeks to take a new look at this exhaustively documented life and show how Queen Elizabeth became the person she is Who and what have been the greatest influences upon her What are her likes and dislikes What are her hobbies Who are her friends What does she feel about the demands of duty and protocol Is she really enjoying herself when she smiles during official events How differently does she behave when out of the public eye Examining the places in which she grew up or has lived the training she received and her attitudes to significant events in national life it presents a fresh view of one of recent history s most important figures In recent years Queen Elizabeth has become the longest reigning monarch in our history and has cut back on commitments Nevertheless she is still very active and has made some wise decisions about who takes over a number of her duties **English History as a Background to Modern American Life** James Herbert Low,1928 *Vanity Fair* ,2012
