Embattled Rebel Jefferson Davis As Commander In Chief:

Embattled Rebel James M. McPherson, 2014-10-07 Explores Jefferson Davis's leadership as commander in chief of the Confederacy while discussing such topics as his military prowess and effective partnership with Robert E Lee

Embattled Rebel James M. McPherson, 2014-10-07 From the Pulitzer Prize winning author of *Battle Cry of Freedom* a powerful new reckoning with Jefferson Davis as military commander of the Confederacy The best concise book we have on the subject McPherson is our most distinguished scholar of the Civil War era The New York Times Book Review History has not been kind to Jefferson Davis Many Americans of his own time and in later generations considered him an incompetent leader not to mention a traitor Not so argues James M McPherson In *Embattled Rebel* McPherson shows us that Davis might have been on the wrong side of history but that it is too easy to diminish him because of his cause's failure Gravely ill throughout much of the Civil War Davis nevertheless shaped and articulated the principal policy of the Confederacy the quest for independent nationhood with clarity and force He exercised a tenacious hands on influence in the shaping of military strategy and his close relationship with Robert E Lee was one of the most effective military civilian partnerships in history Lucid and concise *Embattled Rebel* presents a fresh perspective on the Civil War as seen from the desk of the South's commander in chief

Interpreting American Military History at Museums and Historic Sites Marc K. Blackburn, 2016-04-08 Across the country museums and historic sites welcome visitors into a world long gone but fundamental to America today Military history in particular is etched into our country's culture and the public's imagination The trouble though for museums and historical sites lies in continuing to make it both accessible and relevant to today's audiences Through *Interpreting American Military History at Museums and Historic Sites* Marc K Blackburn tackles the difficult task of helping those institutions charged with the care of sites collections and stories that relate to our past relatable while still maintaining the dignity and reverence of their rich history Looking at the various components of American military history such as battles and famous figures Blackburn provides alternatives to the traditional museum experience The 21st century is a culmination of the past and it is more important than ever to remember and learn from the triumphs and failures and this guide provides and explains those strategies for making our stories and collections relevant to modern audiences This book acts as a primer for those unfamiliar with academic trends of the last forty years Historiography of American military history like that of other sub fields shifts as new information surfaces or as perspectives change Blackburn modernizes this area through new interpretative methods as well as through case studies of museums and historic sites that have created programs interpretive media outreach strategies and mission goals updated to meet the needs of today's patrons Armed with these strategies historic institutions will have the foundation to provide compelling relevant and engaging experiences for the 21st century audience

Confederate Cabinet Departments and Secretaries Dennis L. Peterson, 2016-04-27 Thousands of books have been written covering every aspect of the Civil War Yet scant attention has been given to the civilian government of the

Confederacy The most recent book on the subject was published in 1944 and what little has been written since is scattered among various journals and magazines Drawing on scholarship old and new this book provides a detailed overview of each of the Confederacy's six executive departments along with biographical sketches of each man who held a position in Jefferson Davis's cabinet from Secretary of State to Postmaster General Crisis, Agency, and Law in US Civil-Military Relations Daniel Maurer, 2017-05-18 This book develops a responsible and practical method for evaluating the success failure or crisis of American civil military relations among its political and uniformed elite The author's premise is that currently there is no objectively fair way for the public at large or the strategic level elites to assess whether the critical and often obscured relationships between Generals Admirals and Statesmen function as they ought to under the US constitutional system By treating these relationships in form and practice as part of a wider principal civilian agency military dynamic the book tracks the duties care competence diligence confidentiality scope of responsibility and perceived shortcomings in the interactions between US civilian political authorities and their military advisors in both peacetime and in war Parameters, 2015

From the Mountains to the Bay Ethan S. Rafuse, 2022-12-09 From January to July of 1862 the armies and navies of the Union and Confederacy conducted an incredibly complex and remarkably diverse range of operations in the Commonwealth of Virginia Under the direction of leaders like Thomas Stonewall Jackson George McClellan Joseph E Johnston John Rodgers Robert E Lee Franklin Buchanan Irvin McDowell and Louis M Goldsborough men of the Union and Confederate armed forces marched over mountains and through shallow valleys maneuvered on and along great tidal rivers bridged and waded their tributaries battled malarial swamps dug trenches and constructed fortifications and advanced and retreated in search of operational and tactical advantage In the course of these operations the North demonstrated it had learned quite a bit from its setbacks of 1861 and was able to achieve significant operational and tactical success on both land and sea This enabled Union arms to bring a considerable portion of Virginia under Federal control in some cases temporarily and in others permanently Indeed at points during the spring and early summer of 1862 it appeared the North just might succeed in bringing about the defeat of the rebellion before the year was out A sweeping study of the operations on land and sea *From the Mountains to the Bay* is the only modern scholarly work that looks at the operations that took place in Virginia in early 1862 from the Romney Campaign that opened the year to the naval engagement between the Monitor and Merrimac to the movements and engagements fought by Union and Confederate forces in the Shenandoah Valley on the York James Peninsula and in northern Virginia as a single comprehensive campaign Rafuse draws from extensive research in primary sources to provide a fast paced complete account of operations throughout Virginia while also incorporating findings of recent scholarship on the factors that shaped these campaigns The work provides invaluable insights into the factors and individuals who shaped these operations how they influenced the course of the war the relationships between political leaders and men in uniform and how all these factors affected the development and execution of strategy operations and tactics **The**

Papers of Jefferson Davis Jefferson Davis, 2008-11-15 Being powerless to direct the current I can only wait to see whither it runs wrote Jefferson Davis to his wife Varina on October 11 1865 five months after the victorious United States Army took him prisoner Indeed in the tumultuous years immediately after the Civil War Davis found himself more acted upon than active a dramatic change from his previous twenty years of public service to the United States as a major political figure and then to the Confederacy as its president and commander in chief Volume 12 of *The Papers of Jefferson Davis* follows the former president of the Confederacy as he and his family fight to find their place in the world after the Civil War A federal prisoner incarcerated in a living tomb at Fort Monroe while the government decided whether where and by whom he should be tried for treason Davis was initially allowed to correspond only with his wife and counsel Released from prison after two hard years he was not free from legal proceedings until 1869 Stateless homeless and without means to support himself and his young family Davis lived in Canada and then Europe searching for a new career in a congenial atmosphere Finally in November 1869 he settled in Memphis as president of a life insurance company and for the first time in four years had the means to build a new life Throughout this difficult period Varina Howell Davis demonstrated strength and courage especially when her husband was in prison She fought tirelessly for his release and to ensure their children's education and safety Their letters clearly demonstrate the Davises' love and their dependence on each other They both worried over the fate of the South and of family members and friends who had suffered during the war Though disfranchised Davis remained careful but not totally silent on the subject of politics Even while in prison he wrote without regret of his decision to follow Mississippi out of the Union and of his unswerving belief in the constitutionality of state rights and secession Likewise he praised all who supported the Confederacy with their blood and who like himself had lost everything **Talking Book Topics**, 2015

Jefferson Davis, Commander-in-chief Rolland C. Haun, 1952 *The Iron Will of Jefferson Davis* Cass Canfield, 1981

Jefferson Davis and the Civil War Era William J. Cooper, Jr., 2008-10 In his masterpiece *Jefferson Davis American* William J. Cooper Jr. crafted a sweeping definitive biography and established himself as the foremost scholar on the intriguing Confederate president Cooper narrows his focus considerably in *Jefferson Davis and the Civil War Era* training his expert eye specifically on Davis's participation in and influence on events central to the American Civil War Nine self-contained essays address how Davis reacted to and dealt with a variety of issues that were key to the coming of the war the war itself or in memorializing the war sharply illuminating Davis's role during those turbulent years Cooper opens with an analysis of Davis as an antebellum politician challenging the standard view of Davis as either a dogmatic priest of principle or an inept bureaucrat Next he looks closely at Davis's complex association with secession which included surprisingly a profound devotion to the Union Six studies explore Davis and the Confederate experience with topics including states rights the politics of command and strategic decisions Davis in the role of war leader the war in the West and the meaning of the war The final essay compares and contrasts Davis's first inauguration in Montgomery Alabama in 1861 with a little known

dedication of a monument to Confederate soldiers in the same city twenty five years later In 1886 Davis an old man of seventy eight and in poor health had himself become a living monument Cooper explains and was an essential element in the formation of the Lost Cause ideology Cooper s succinct interpretations provide straightforward compact and deceptively deep new approaches to understanding Davis during the most critical time in his life Certain to stimulate further thought and spark debate Jefferson Davis and the Civil War Era offers rare insight into one of American history s most complicated and provocative figures

Jefferson Davis's Generals G. S. Boritt,1999 Provocative new essays on Confederate leadership and strategy are presented by eight leading Civil War historians *The Papers of Jefferson Davis* Jefferson Davis,2008-11-15

Being powerless to direct the current I can only wait to see whither it runs wrote Jefferson Davis to his wife Varina on October 11 1865 five months after the victorious United States Army took him prisoner Indeed in the tumultuous years immediately after the Civil War Davis found himself more acted upon than active a dramatic change from his previous twenty years of public service to the United States as a major political figure and then to the Confederacy as its president and commander in chief Volume 12 of *The Papers of Jefferson Davis* follows the former president of the Confederacy as he and his family fight to find their place in the world after the Civil War A federal prisoner incarcerated in a living tomb at Fort Monroe while the government decided whether where and by whom he should be tried for treason Davis was initially allowed to correspond only with his wife and counsel Released from prison after two hard years he was not free from legal proceedings until 1869 Stateless homeless and without means to support himself and his young family Davis lived in Canada and then Europe searching for a new career in a congenial atmosphere Finally in November 1869 he settled in Memphis as president of a life insurance company and for the first time in four years had the means to build a new life Throughout this difficult period Varina Howell Davis demonstrated strength and courage especially when her husband was in prison She fought tirelessly for his release and to ensure their children s education and safety Their letters clearly demonstrate the Davises love and their dependence on each other They both worried over the fate of the South and of family members and friends who had suffered during the war Though disfranchised Davis remained careful but not totally silent on the subject of politics Even while in prison he wrote without regret of his decision to follow Mississippi out of the Union and of his unswerving belief in the constitutionality of state rights and secession Likewise he praised all who supported the Confederacy with their blood and who like himself had lost everything

Jefferson Davis and His Generals Steven E. Woodworth,1990 Jefferson Davis is a historical figure who provokes strong passions among scholars Through the years historians have place him at both ends of the spectrum some have portrayed him as a hero others have judged him incompetent

Jefferson Davis and His Generals Steven E. Woodworth,1987 Jefferson Davis though apparently well qualified for the role of commander in chief nevertheless proved to be a failure in that role because of his blind devotion to certain friends some of whom turned out to be incompetent generals and because he lacked the ability to grasp new ideas to handle pressure and to make crucial decisions

This was most clearly demonstrated in the western theater of the war Davis showed favoritism in appointing a number of his pre war friends as generals notably Leonidas Polk Polk proved to be incompetent and insubordinate to his commanders but Davis could not see this and failed to remove him Polk s presence was made especially damaging by his efforts to undermine his immediate superior Braxton Bragg Bragg was a fairly competent general who though a pre war enemy of Davis came to possess a moderate degree of Davis s confidence and commanded the South s chief western army for over a year Bragg s effectiveness was reduced by Polk who regularly disregarded orders with which he disagreed sometimes costing the army a chance for victory Polk also organized a movement for Bragg s removal The morale damage caused by Polk eventually brought about the army s collapse Davis s personal friendship with Polk kept him from preventing this Davis s inability to trust his own judgments and to act forcefully and decisively was demonstrated in his handling of Joseph E Johnston Though Johnston had already caused problems in Virginia Davis appointed the popular general to overall command in the West Besides lacking the nerve to engage in battle Johnston disagreed with nearly all of Davis s strategic ideas His subsequent foot dragging hurt the Confederate cause especially during the Vicksburg campaign Davis rather than forcing compliance or removing the stubborn general engaged in a long and petty argument with his subordinate Despite all this Davis in early 1864 still gave Johnston direct command of the Confederacy s only remaining major army in the West Johnston again failed but Davis hesitated to remove him until it was all but too late to save the vital city of Atlanta

The Papers of Jefferson

Davis Jefferson Davis,2003-11-07 During the last nine months of the Civil War virtually all of the news reports and President Jefferson Davis s correspondence confirmed the imminent demise of the Confederate States the nation Davis had striven to uphold since 1861 But despite defeat after defeat on the battlefield a recalcitrant Congress naysayers in the press disastrous financial conditions failures in foreign policy and peace efforts and plummeting national morale Davis remained in office and tried to maintain the government even after the fall of Richmond until his capture by Union forces on May 10 1865 The eleventh volume of The Papers of Jefferson Davis follows the last tumultuous months of the Confederacy and illuminates Davis s policies feelings ideas and relationships as well as the viewpoints of hundreds of southerners critics and supporters who asked for favors pointed out abuses and offered advice on myriad topics Printed here for the first time are many speeches and a number of new letters and telegrams In the course of the volume Robert E Lee officially becomes general in chief Joseph E Johnston is given a final command legislation is enacted to place slaves in the army as soldiers and peace negotiations are opened at the highest levels The closing pages chronicle Davis s dramatic flight from Richmond including emotional correspondence with his wife as the two endeavor to find each other en route and make plans for the future in the wreckage of their lives The holdings of seventy different manuscript repositories and private collections in addition to numerous published sources contribute to Volume 11 the fifth in the Civil War period

The Real Jefferson Davis Landon Knight,2021-05-19 In The Real Jefferson Davis Landon Knight presents a comprehensive reexamination of the Confederate

president's life and legacy contrasting the mythologized narratives with well researched historical evidence Knight adopts a narrative style that intertwines meticulous scholarship with engaging prose punctuated by vivid descriptions and insightful character studies The book situates Davis within the broader socio political context of the American Civil War exploring the motivations behind his leadership and the complexities of his decisions that shaped a fractured nation Landon Knight an accomplished historian specializing in Civil War era studies draws on extensive archival research and a deep understanding of 19th century American politics His prior works reflect a commitment to illuminating overlooked figures in American history which has evidently influenced his portrayal of Davis Knight's approach strives for objectivity challenging popular misconceptions while grappling with the moral ambiguities surrounding Davis and the Confederacy indicative of his dedication to a nuanced historical discourse This book is highly recommended for history enthusiasts students and anyone interested in a balanced perspective on one of America's most controversial figures Knight's engaging narrative not only enriches the understanding of Jefferson Davis but also prompts reflections on the broader implications of leadership legacy and national identity

The Papers of Jefferson Davis Jefferson Davis, 2008-11-15 Being powerless to direct the current I can only wait to see whither it runs wrote Jefferson Davis to his wife Varina on October 11 1865 five months after the victorious United States Army took him prisoner Indeed in the tumultuous years immediately after the Civil War Davis found himself more acted upon than active a dramatic change from his previous twenty years of public service to the United States as a major political figure and then to the Confederacy as its president and commander in chief Volume 12 of *The Papers of Jefferson Davis* follows the former president of the Confederacy as he and his family fight to find their place in the world after the Civil War A federal prisoner incarcerated in a living tomb at Fort Monroe while the government decided whether where and by whom he should be tried for treason Davis was initially allowed to correspond only with his wife and counsel Released from prison after two hard years he was not free from legal proceedings until 1869 Stateless homeless and without means to support himself and his young family Davis lived in Canada and then Europe searching for a new career in a congenial atmosphere Finally in November 1869 he settled in Memphis as president of a life insurance company and for the first time in four years had the means to build a new life Throughout this difficult period Varina Howell Davis demonstrated strength and courage especially when her husband was in prison She fought tirelessly for his release and to ensure their children's education and safety Their letters clearly demonstrate the Davises' love and their dependence on each other They both worried over the fate of the South and of family members and friends who had suffered during the war Though disfranchised Davis remained careful but not totally silent on the subject of politics Even while in prison he wrote without regret of his decision to follow Mississippi out of the Union and of his unswerving belief in the constitutionality of state rights and secession Likewise he praised all who supported the Confederacy with their blood and who like himself had lost everything

Jefferson Davis, American William J. Cooper, 2001-11-13 From a distinguished historian of the American South comes

this thoroughly human portrait of the complex man at the center of our nation's most epic struggle Jefferson Davis initially did not wish to leave the Union as the son of a veteran of the American Revolution and as a soldier and senator he considered himself a patriot William J Cooper shows us how Davis' initial reluctance turned into absolute commitment to the Confederacy He provides a thorough account of Davis' life both as the Confederate President and in the years before and after the war Elegantly written and impeccably researched Jefferson Davis American is the definitive examination of one of the most enigmatic figures in our nation's history

The Enigmatic Realm of **Embattled Rebel Jefferson Davis As Commander In Chief**: Unleashing the Language is Inner Magic
