*The Yugo* Jason Vuic, 2011-03-01 Six months after its American introduction in 1985 the Yugo was a punch line within a year it was a staple of late night comedy By 2000 NPR's Car Talk declared it the worst car of the millennium And for most Americans that's where the story begins and ends Hardly The short unhappy life of the car the men who built it the men who imported it and the decade that embraced and discarded it is rollicking and astounding and one of the greatest untold business cum morality tales of the 1980s Mix one rabid entrepreneur several thousand good communists a willing U S State Department the shortsighted Detroit auto industry and improvident bankers shake vigorously and you've got The Yugo The Rise and Fall of the Worst Car in History Brilliantly re-creating the amazing confluence of events that produced the Yugo Yugoslav expert Jason Vuic uproariously tells the story of the car that became an international joke The American CEO who happens upon a Yugo right when his company needs to find a new import or go under A State Department eager to aid Yugoslavia's nonaligned communist government Zastava Automobiles which overhauls its factory to produce an American ready Yugo in six months And a hole left by Detroit in the cheap subcompact market that creates a race to the bottom that leaves the Yugo at the bottom *Automotive Mechatronics* Konrad Reif, 2014-08-25 As the complexity of automotive vehicles increases this book presents operational and practical issues of automotive mechatronics It is a comprehensive introduction to controlled automotive systems and provides detailed information of sensors for travel angle engine speed vehicle speed acceleration pressure temperature flow gas concentration etc The measurement principles of the different sensor groups are explained and examples to show the measurement principles applied in different types [Chasing the Panther](#) Carolyn Pfeiffer, Gregory Collins, 2023-06-06 A cinematic and vibrant coming of age memoir Chasing the Panther captures the thrilling and at times heartbreaking early years of Carolyn Pfeiffer a pioneering film producer and one of Hollywood's first female executives a mini mogul in the words of the Wall Street Journal For a moment in the 1980s Carolyn Pfeiffer was the only woman in Hollywood who could greenlight a movie Working with directors like Sam Shepard and Wes Craven and with actors like River Phoenix and Bette Davis she had a hand in producing or distributing many landmark films among them Ridley Scott's *The Duellists* Alan Rudolph's *Choose Me* and the Academy Award winning *Kiss of the Spider Woman* However long before establishing herself as a player in the world of film Carolyn was a horseback riding tomboy who dreamed of exploring the world beyond her small hometown Her journey turned out to be a tale fit for the movies As a young girl jumping from rock to rock in a rural North Carolina town Carolyn felt a calling she couldn't articulate but that she nonetheless understood it was a tug on her heart a yearning for something more When she could she set out for New York City a refuge for young women exercising their independence and resisting the pressures of marriage and motherhood There swept up in the glamorous world of beat poets and millionaires Carolyn brushed shoulders with a young Burt Reynolds and became fast friends with an English journalist named Penny As the turbulent 1960s dawned Carolyn booked a one way passage to Europe

Her plan was to visit Penny and to travel around Europe for the summer but instead the world opened up to her in ways she never could have imagined She found herself on set with Italy's great filmmakers in the couture houses of Paris fashion icons and swept up in the youthful energy flooding London She learned about film and found work on iconic movies like Federico Fellini's *8½* Luchino Visconti's *The Leopard* and David Lean's *Doctor Zhivago* and she came to befriend and work alongside luminaries like the Beatles Tennessee Williams Françoise Truffaut and Barbra Streisand Amid these adventures and misadventures Carolyn fell in and out of love and was beset by tragedies and triumphs that resoundingly affirmed what she'd known since girlhood that she was always destined for something more Set against the dazzling backdrop of Fellini's Rome the Paris of the French New Wave and Swinging London *Chasing the Panther* reads like a true to life novel revealing Carolyn's unforgettable journey to find her place in the world
